161st Annual Convention

Journal of Proceedings

CHRIST CHURCH, PHILADELPHIA
MONDAY, APRIL 30, 1945, 5 P. M.

The One Hundred Sixty-first Annual Convention of the Protestant Episcopal Church in the Diocese of Pennsylvania assembled at Christ Church, Philadelphia, to assist in the Commemoration of the Two Hundred Fiftieth Anniversary Year of the Parish, in accordance with the approval of the Bishop and the Standing Committee.

The Bishop of the Diocese called Convention to order and opened the Session with Prayer.

A Quorum being present, the Rev. Charles H. Long was duly elected Secretary and the Rev. Dr. John R. Huggins appointed Assistant Secretary of the Convention.

The Rev. Dr. James M. Niblo presented the REPORT OF THE COMMITTEE ON THE DISPATCH OF BUSINESS which was adopted as follows:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by Title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P. M. on Tuesday, May 1, 1945, a Recess shall be taken at that hour until 7:45 P. M. Should further time be required, Convention shall meet again on Wednesday, May 2, 1945, at 9:30 A. M.

The Rev. Albert F. Fischer, Jr., presented the REPORT OF THE COMMITTEE ON ARRANGEMENTS which was adopted.

The Secretary read the Canon of Courtesy, as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates for Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the

Standing Committee, the Officers of the Executive Council and the Executive Officer of the Philadelphia Protestant Episcopal Mission, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

The President noted the presence of the Rt. Rev. William P. Roberts, Bishop of Shanghai, and invited him to a seat in the Chancel.

The Secretary reported as follows:

That during the past year he has fulfilled his duties as prescribed by the Constitution and Canons so far as possible.

That under date of February 28, 1945, he sent out the Calls and other Documents for the Annual Convention.

That Parochial Reports were mailed December 27, 1944, and that on February 1st, when these reports were due, very few of the 216 due had been received. The Secretary would again stress the necessity for making full returns on the Annual Report blank since these figures are required for the Report to the General Convention.

That boxes for the Registration of the Clerical and Lay Deputies have been placed in the vestibules of the Church and all Deputies should register at once.

That the following is the Unfinished Business from the Annual Convention of 1944:

1. Report of Committee on the Seal of the Diocese.
2. Report of Committee on Relation of Institutions of the Diocese to the Convention.
3. Report of Committee on Church Unity.

That on April 30, 1945, Parishes, Missions and Chapels of the Diocese entitled to Membership in this Convention had not qualified as follows:

Of the 137 Parishes the following have not sent in Certificates for Lay Deputies and therefore have no Lay Deputies in this Convention:

St. John, Kelton; St. John Free, Philadelphia.

Of the 31 Missions entitled to a Lay Deputy the following have not sent Certificates for a Lay Deputy and therefore have no Lay Deputy in this Convention:

Of the 12 Chapels entitled to a Lay Representative the following has not sent in a Certificate for a Lay Representative and therefore has no Lay Representative in this Convention:

The following Parishes and Missions have not paid the Assessment for the Episcopate:

The following Parishes and Missions have not paid the Assessment for the Convention and Diocesan Expense:

The following Parishes, Missions and Chapels have not paid the Assessment for the Rectors' Salaries and Pensions:

All Saints, Crescentville; Christ, Franklinville; Grace and the Incarnation; Phillips Brooks Memorial Mission; St. James', Philadelphia; St. John, Chrysostom; Trinity, Ambler; Washington Memorial Chapel, Valley Forge.

The Rev. Dr. Francis C. Hartshorne offered the following Resolution, which was adopted:

RESOLVED, That the right of Representation in this Convention of those Parishes which have not sent Parochial Reports, or have not paid their Assessments, be declared forfeited; but that they be invited to present to the Committee on Claims of Laity to Seats any facts which seem to them to justify a restoration of such rights of Representation; and, that the said Committee be instructed to consider such facts and make appropriate recommendations to the Convention; and that meanwhile the Lay Representatives from said Parishes be invited to take their seats, but to refrain from participating in the proceedings until the Convention shall have restored the right of Representation of their Parishes.

The President appointed the following Committees:

That from the 64 Preliminary Ballots returned, the Official Ballot was prepared and sent to the Clerical Deputies and to the Lay Deputies whose election had been certified to the Secretary of the Convention under date of April 20th, and to the Secretary of the Convention.

CHURCH OF THE HOLY TRINITY, PHILADELPHIA

Tuesday, June 26, 1945, 9:30 A.M.

A Special Convention of the Protestant Episcopal Church in the Diocese of Pennsylvania assembled at the call of the Ecclesiastical Authority and in accordance with the Resolution of the 161st Annual Convention for the purpose of electing a Suffragan Bishop for the Diocese of Pennsylvania.

The Holy Communion was celebrated by the Bishop, assisted by the Rt. Rev. William P. Roberts, D.D., Bishop of Shanghai, the Rev. Dr. E. Frank Salmon, Rector of the Church of the Holy Trinity, and the Rev. Messrs. Gossling, Krantz, Patterson and Tabb. The offering for the Reconstruction and Advance Fund amounted to $151.81.

The Bishop of the Diocese called the Special Convention to order at 10:45 A. M. and opened the session with prayer.

The Secretary read the Resolutions adopted at the Annual Convention as follows:

Since the Bishop of the Diocese in his annual address to the Convention has asked for the assistance of a Suffragan Bishop, according to Canon 40, Section 1, as President of the Standing Committee I present the following Resolutions:

1. RESOLVED, That this Convention hereby gives its consent to the Diocesan's request for a Suffragan Bishop.
2. RESOLVED, That this Convention authorize the Standing Committee to secure at once the consent of a majority of the Bishops and the several Standing Committes for the election of a Suffragan Bishop in the Diocees of Pennsylvania.
3. RESOLVED, That, presuming this consent will be given by a majority of the Bishops and the several Standing Committees, the Bishop be asked to call a special meeting of the Convention when the only order of the day will be the election of a Suffragan Bishop.
4. RESOLVED, That the Salary of the Suffragan Bishop shall be $6,000 per year, with such allowances for a residence and an automobile as may be arranged for by the Standing Committee.

The Standing Committee suggests that the Report of the Committee on the Election of a Suffragan Bishop should be as follows, and as President of the Standing Committee I offer these Resolutions, which are based on our Diocesan procedure in the Election of Bishops in 1902, 1911, 1929 and 1942.

1. RESOLVED, That the nominations for a Suffragan Bishop be made and the first ballot taken after the Service of Holy Communion to be celebrated in the Church of the Holy Trinity, at 9:30 A. M. on the date of the Bishop's call for the special Convention for the election of a Suffragan Bishop, and that if further ballots are required, they shall be taken at once after the announcement of the preceding ballot.
2. RESOLVED, That nominations may be made before any ballot, and that nominating speeches be limited to two minutes, with only one speech for each nominee.
3. RESOLVED, That during the counting of the ballots no other business shall take place.

The Secretary read the Canon of Courtesy, as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates for Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Philadelphia Protestant Episcopal Mission, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

The President appointed the following Committees:

Claims of the Clergy to Seats:

The Rev. George Copeland — The Rev. John R. Logan, Sr.
The Rev. Paul R. R. Reinhardt

Claims of the Laity to Seats:

Mr. John L. Evans — Mr. Thomas B. K. Ringe
Mr. Ernest Scott

The Secretary of the Convention presented the Report of the COMMITTEE ON ARRANGEMENTS to the effect that luncheon was provided in Holy Trinity Parish House and tickets had been mailed to those who had made reservations in advance. Same was adopted.

The COMMITTEE ON ELECTIONS presented the Report as follows:

That in Voting, write the name of your candidate on a slip of paper to be found at the Ballot Box, and deposit same in the Box. The Clergy vote at the Chancel end of the Church, A to G on North Aisle, H to M in Center aisle, N to Z on South aisle. The Lay Deputies vote at the 19th Street end, Suburban and Missions on North side; Advocate, Philadelphia to St. George, West Philadelphia, in Center aisle; St. James, Hestonville to Zion, Philadelphia on South aisle.

The Parishes have one Lay vote, i.e., the Lay Deputies must agree on their Candidate, and one Deputy deposits the ballot.

A concurrent Majority is necessary to a Choice, i.e., 120 Clergy, being one half of the 238 on the List compiled by the Bishop, and 85 Lay Votes, being one half of the 168 Parishes and Missions qualified to vote in this Convention.

But if less than two thirds of either Order be present then two thirds of the Votes of that Order shall be necessary, i.e., only 158 Clergy voting requires 106 to elect; 112 Parishes and Missions voting requires 74 to elect.

Therefore, it is important that the attendance be kept up until an Election is accomplished.

When the Election is completed the Clerical and Lay Deputies must sign the Testimonial of Election at the Secretary's Desk. We would suggest, if the Convention approves, that this might be done off and on during the counting of the Ballot, saving your time considerably. Of course no name will be on the Testimonial until the Election is complete.

The COMMITTEES ON THE CLAIMS OF CLERGY TO SEATS AND ON THE CLAIMS OF LAITY TO SEATS reported that no claims had been received.

The President appointed the Tellers as follows:

The Rev. Dr. Franklin Joiner, Chairman, presented the Report of THE COMMITTEE TO MAKE NOMINATIONS FOR THE OFFICE OF SUFFRAGAN BISHOP as follows:

The Committee appointed by the Stated Convention of the Diocese on May 1, 1945 to present not more than five names in nomination for the office of Suffragan Bishop at this Special Convention now in session, received 19 names for their consideration, 3 from outside the Diocese, and 16 from within.

After conferring with Bishop Hart as directed in the Convention's resolution, the Bishop sent the following communication to the Committee:

> "Today I received the list of the names of three men from outside the Diocese and a number of men from within the Diocese who have been nominated for Suffragan Bishop. I make no comment on the men nominated from within the Diocese. I am perfectly willing to say that of the three men nominated from outside of the Diocese, I think that the Rt. Rev. William P. Remington, D.D., Bishop of the Missionary District of Eastern Oregon, is the best choice for this Diocese."

Your Committee then gave careful consideration to each of the names before it and finally by a series of ballots at a meeting in the Church House, Monday afternoon, June 11th, chose 3, which as chairman of the Committee, I now place in nomination for the office of Suffragan Bishop in the Diocese of Pennsylvania.

On behalf of the Committee I place in nomination for the office of Suffragan Bishop in this Diocese, the Rt. Rev. Dr. William P. Remington.

On behalf of the Committee I place in nomination for the office of Suffragan Bishop in the Diocese of Pennsylvania the Very Rev. Dr. Charles W. Shreiner.

And finally for your Committee I place in nomination for the office of Suffragan Bishop in the Diocese of Pennsylvania the Very Rev. Dr. Chauncey E. Snowden.

Dean Shreiner asked leave to withdraw his name as Nominee for Suffragan Bishop and seconded the Nomination of Bishop Remington.

Mr. Spencer Ervin seconded the Nomination of Dean Snowden.

Further Nominations being called for, no further Nominations were offered.

The *Veni, Creator Spiritus* was sung by the Bishop of the Diocese and the Clerical and Lay Deputies, and the Bishop called the Convention to prayer.

The President declared the Polls opened.

During the casting of the Ballots the Deputies signed the TESTIMONIAL OF ELECTION.

The COMMITTEE ON ELECTIONS presented the Report.

Let Us Pray

Let us commend to Almighty God the souls of His servants:

Almighty God, who hast given us the comforting assurance that Thou art present in every place to hear the prayers of such as love Thee, and to protect those for whom we pray; We commit Thy servants to Thy favor and care, that they may dwell with Thee in Thy glory, and that we may ever be faithful to their memory here on earth, and be reunited in communion and fellowship in the life that is to come; through Jesus Christ our Lord. Amen.

In the Name of God the Father Almighty who created them.

In the Name of Jesus Christ who redeemed them.

In the Name of the Holy Ghost who sanctified them.

May the souls of His servants rest in peace, and light perpetual shine upon them. Amen.

We are happy to have the opening service of this Convention in this historic Church. There is something strangely moving about an old Church. We are vividly reminded that we live in a moral order in which there is continuity and transmission of responsibility. The first General Convention of the Protestant Episcopal Church in the United States of America was held in this Church in September 1785. It included clerical and lay deputies from seven of the thirteen United States. Many of them were men who had participated in framing the Constitution. The first 29 conventions of the Church, except one, were held here, and Bishop White consecrated the first eleven Bishops of the Church in this historic chancel. May we show in this Convention that we are worthy descendants of Bishop White and those other leaders who labored here to lay the foundations of our diocesan and national Church life.

Reconstruction and Advance Fund

Mr. William Fulton Kurtz has spoken to you about our plans for the national Reconstruction and Advance Fund. It is interesting to note that the Archbishop of Canterbury and other church leaders in England have proposed that on V-E Day an offering be taken at all services for the reconstruction of churches in Europe and they have set a goal of $5,000,000 for that one offering. They face the necessity for the reconstruction of some four thousand church buildings in England and yet they ask for a Victory Thank Offering for the reconstruction of churches in Europe. I would like to see all offerings at V-E services in this diocese go to the reconstruction of our church work in the Philippines and China. If in your Parish you do plan to have a thankoffering on V-E Day and to give the same to the Reconstruction and Advance Fund, please see that the offering is clearly designated for that purpose when it is sent to the Church House.

We have not suffered as they have suffered. In a real sense we shall need what they can teach us more than they will need what we can give them. But unless we share with them our check books, we cannot receive in our hearts what they have to give us. Once a distinguished clergyman of our Church stopped off for a few hours' visit with me in Tennessee. He asked me to drive him out in the country to see a Baptist Minister whom he had met when they served together in World War I. My friend had had all the educational advantages which money could provide. He was a graduate of one of our best universities and had done post graduate work in England. He was a pronounced Catholic. The Baptist Minister had not finished college and had not had seminary training and was an old-fashioned fundamentalist. His Church was a pitifully poor frame building, with very crude benches and a sawdust floor. As my friend and this Baptist Minister walked away from my car, arm in arm, I thought, "What can they have in common?" Later on, as we were driving back to Chattanooga, Father X said to me, "My friend understands the way of the Cross better than I do." Let's make no mistake about it this time. If all of our professed desires for a warless world turn out to be only the "mouthings of Church people," it will be because we have been too selfish to understand those who, walking in the way of the Cross, have found it none other than the way of life and peace.

Friday I received a letter from a Chaplain in the Ninth Army. In it he said, "Do you have at home a real conception of the thoroughgoing business the Germans have made of the enslavement of French, Dutch and Belgium workers? Plenty of them have seen two or three years of detention. Undernourished and debased they give the impression of men and women who have become listless and defeated. It is really a tragic state of affairs—this sickness of Europe.

I've been wondering about our Episcopal Church as far as rehabilitation and readjustment are concerned. I'd be greatly encouraged to know even a little of what is under way to reeducate and reestablish the many people uprooted by this war. GI Joe feels the gravity of the situation as he talks. I'd like to be able to say to him what our Church plans to do by way of redemption."

Christian Missions are a World Force

To quote the words of one qualified to speak on "Christian Missions":

"If we had to sum up the past century of world history, we should say that the outstanding movement of that time has been the contact

of Christian nations with non-Christian peoples, roughly speaking, the contact of West with East; and that everywhere Christian missions have been the redeeming feature. What might have been the results of West meeting East if this missionary enterprise had not been in the forefront, it is both difficult and appalling to imagine. It would have been commerce and colonization and conquest and war with only here and there a tinge of the Christian motive and method. But, as a matter of fact, the world force of missions, bringing to the East the best in the West has been a redemptive enterprise, carried out for service only; literally, a redeeming feature. Through the Church of Christ and its far-flung branches, Christian nations, instead of domineering and exploiting, have ministered to the wants of others; they have drawn heavily on their own resources for the benefit of those in need. They have put their strength at the disposal of the weak and have given of their best freely wherever it was called for. That is what has been going on all over the world even during the agonizing years of war."

"International righteousness and good will are not simply a dream of the distant future. Christian missions have long since made them real. Here is an enterprise on a gigantic scale, with hundreds of thousands of workers, spending millions of dollars with no thought of private profit, maintained with the sole purpose to serve where service is needed. The only force that maintains it is spiritual force, and wherever it extends it advances only by the means of example and persuasion and cooperation. In the midst of all the kingdoms of this world it has been, to an impressive degree, the realization on earth of the Kingdom of our Lord and of His Christ."

Suffragan Bishop

I have been working in the diocese now for almost three years and I have come to see that one man cannot do all the necessary administrative work and at the same time do the work that a Bishop should do. I hope, therefore, that the diocese will be willing to ask permission of the General Church for the right to elect a Suffragan Bishop. Acting in accordance with Canon 40, section 1, I ask the diocese to elect a Suffragan Bishop. On April 11th, I ventured to tell the Clergy why, in my opinion, it would be advisable for us to elect an older man. I shall be glad to explain to the laity my views on this most important matter if they desire me to do so.

Committee on the Endowment of the Episcopate

On December 31, 1942, the Endowment of the Episcopate amounted to $92,658.28. In 1943 a committee headed by Mr. E. Lowber Stokes secured additional gifts amounting to $22,724.17. The greater part of this sum was the offering given at the Memorial Service for Bishop Taitt. In 1944, Mr. Stokes resigned as Chairman, but has remained on the committee as Secretary and has continued to show great interest in this Fund. I am deeply grateful to Mr. Stokes for his fine spirit and interest. Mr. Clarence E. Brown was appointed Chairman. Under his able leadership gifts amounting to $34,830.43 were received in 1944, making the Fund at the end of 1944 amount to $150,212.88. He has drawn up a splendid plan for increasing this Fund to $1,500,000. The committee had set up an office at the Church House and was ready to push their work when plans were announced for the $5,000,000 Reconstruction and Advance Fund. With a very real sense of disappointment, but with a fine spirit, Mr. Brown and his committee not only agreed to suspend operations for the time being but generously allowed their secretary

to assist Mr. Kurtz and his committee. I am sure that we all share in this sense of disappointment. The goal of $1,500,000 is not a high one for a Diocese of this size and I have every confidence in that goal being reached in the not too distant future. The Diocese was organized in 1784. The fact that at the end of over a century and a half of its history the Endowment of the Episcopate amounted to only $92,658.28 shows clearly that the need for such a Fund was not drawn forcefully to the attention of the Diocese.

Placement of Churches

The Church of the Holy Apostles sold their building at 21st and Christian Streets and has merged with the Chapel of the Mediator. I do not need to remind you of the wonderful loyalty of this congregation. To give up an old building with which they have many tender associations and still maintain their old loyalty is a very severe test. The congregation of the Holy Apostles has stood this test magnificently.

The change in location of this fine old Parish brings vividly to our attention two things:

(1) The Church is not the church building. Many Clergy in England whose church buildings have been destroyed, have found their ministry widened and made more vital. We are human beings, not bodiless creatures. We, therefore, love places and by loving some places especially, we have greater reverence for all places. We do not easily give up our associations with certain church buildings. But we are poor Churchmen if our love and devotion to our Lord is inextricably tied up with any one building.

(2) In the second place the cost of maintenance of a plant as large as that at 21st and Christian brought forth the fervent exclamation "Blessed are the Churches which have simple equipment." Just as many large estates are being broken up and their owners are being forced by modern living conditions to have simpler establishments, so some of our Parishes must face the same situation. This need not mean a diminution in the witness of that Parish. It might well cause an increase. A Parish, with great equipment, which has to spend so much on maintenance of buildings that it can only afford to give its Minister a minimum salary is much less likely to have a healthy life than one with simple equipment and a Clergyman to whom they can give an adequate salary.

Holy Comforter Memorial Chapel, 19th and Wharton Streets, was closed in the fall of last year. The members of the congregation who still live in that neighborhodd are being adequately cared for by Dean Bonynge, vicar of the Holy Communion Chapel, only a few blocks away. The Holy Comforter was a Chapel of St. Peter's, and the funds derived from the sale of the property, plus the endowment, are in the hands of the vestry of St. Peter's. The Holy Comforter was established as a piece of extension work by a member of St. Peter's. I have conferred with the rector and vestry of St. Peter's and urged them to use the income from these funds for extension work, either in their own immediate neighborhood or elsewhere in the Diocese.

I want to pay special tribute to the members of the Phillips Brooks Memorial Chapel. Holy Trinity found it necessary to give up the support of this Chapel at the beginning of last year. The Phillips Brooks' congregation has paid practically all their expenses throughout 1944 and up to the present time, and are requesting this Convention to recognize them as a self supporting Mission to be known as St. Philip's Mission.

The following missions and chapels are asking admission as Parishes:

Holy Sacrament Mission, Highland Park
St. Gabriel Mission, Feltonville
St. James' Mission, Prospect Park
Chapel of St. Simon the Cyrenian, Philadelphia
Chapel of St. Michael and All Angels

An accumulated surplus in the Missionary Fund has been designated by the Executive Council towards reducing and satisfying of mortgages that had been underwritten and guaranteed by the Diocese of Pennsylvania.

Parish Program

I want to commend the vestries who are trying to plan as wisely as possible for the coming days. It is important that the work be planned, at least, on the vestry level. It is better, of course, if the work can be planned on a congregational level. The work among Young People is only one part of a well rounded Parish program but it is a most important part. Youth Canteens have been operated successfully in a number of Parishes. In some instances it seems to me that the responsibility for this work falls almost exclusively on the shoulders of the rector. In other cases the members of the vestry or the Parish Council have assumed full responsibility and are doing splendid work. I should like to see an exchange of ideas on this subject at the Forward In Service Conference on June 6th. The central theme of Forward In Service for 1945-46 is the Missionary Imperative. That imperative sends us into all the world but do not let us forget that we begin with our own community. The Parishes which are doing the most effective community service are most likely to be the ones with the longest vision.

City Mission

This year the City Mission celebrates its 75th Anniversary. Tomorrow the Rev. James M. Collins, the efficient executive director, will tell us something of the great work which the City Mission has done and is doing. We are proud of the three quarters of a century record of service by the City Mission.

Notable Gifts

Legacies were given to the following churches and institutions:

To St. Paul's Church, Chestnut Hill, $5,000, from the will of Mrs. Julia H. Marsden; Memorial Window in memory of Mrs. Elizabeth Glendinning given by Mrs. Jay Cooke and Mrs. Glendinning Frazier; Memorial Window in memory of Mrs. Clarence M. Brown, given by Mr. Clarence M. Brown.

To Christ Church, Philadelphia, $10,000 for the General Endowment Fund from the estate of Charlotte Van Court Carter; also from the same source, a gift of $1,500 for moving the pulpit to its former position, in memory of her father and grandfather, Thomas M. Seeds, Jr., and Thomas M. Seeds, Sr., both of whom were vestrymen of Christ Church in their life time.

To the Church of the Redemption, Philadelphia, $1,000 on the Rectory mortgage, in memory of the beloved departed of the Parish.

To St. Asaph's Church, Bala-Cynwyd, a gift of land surrounding two sides of its property for a future extension of the Church Yard and for protection against building developments. Also an endowment of $5,000 for the preservation and replacement of the shrubbery in the Church Yard.

To St. Aidan's Chapel, Cheltenham, a new pulpit given by Mr. and Mrs. Arthur Wells in memory of their son, Arthur Wells, Jr., who lost his life in the Tunisian campaign.

To St. Paul's Church, Chester, the Bishop Taitt Memorial Window, costing $8,000, the gift of hundreds of the Bishop's friends.

To St. Luke's Church, Newtown, $1,000 from Mrs. R. T. Roberts for the purpose of endowing a pew.

To Trinity Church, Swarthmore, a stained glass window from the congregation in honor of the men in the service. Also a stained glass window from Robert A. Sheppard in memory of his parents, Ida L. Sheppard and Allen E. B. Sheppard.

To St. Stephen's Church, Philadelphia, $30,000, to repay the mortgage on the Community House from the will of Miss Laura Bell; also $5,000 for the endowment fund, and $1,000 for the Woman's Auxiliary of the Parish. From the will of Miss Clara Meyer, $5,000, the income of which is for missionary work with special consideration for the work of the Rev. Claud E. Pickens of China.

To the Church of St. Luke and the Epiphany, Philadelphia, $77,986.37 from the will of Mrs. Virginia P. Cibotti.

To St. Peter's Church in the Great Valley, in connection with the 250th Anniversary, the complete restoration of the interior of the Church was begun by Mr. and Mrs. George Pownall Orr in memory of their son, George Pownall Orr, Jr. The present church was built in 1744 and, as far as can be ascertained from old Parish records and minutes, the altar, pews and gallery are being replaced. The high pulpit is probably not an exact reproduction of the original but is a copy of pulpits of that period.

To St. John's Church, Cynwyd, a Sanctuary Gate in memory of Edward Bramwell Thomas, the first choir boy who died at the age of twelve years in 1904.

To the Church of Our Saviour, Jenkintown, $1,000, gift of Thanksgiving by Frank H. H. Rogers.

Parish Register

"There are many of the clergy who need no reminder of their obligation to keep the Parish Register up-to-date. Most of our clergy keep their records carefully, realizing of how great importance the correct entry of a baptism or marriage may sometime become. But now and then there comes to every Bishop the knowledge of neglect in this regard which is culpable. In many instances a rector has resigned and gone away from his Parish, leaving no list of communicants, no proper entry of baptisms, nor any record from which his successor could ascertain what families were connected with the Parish, nor who were entitled to be regarded as communicants. Such neglect of a plain duty is not only unbusinesslike; it is wrong. It is an injustice not only to the rector who may follow, but also to every person whose name is omitted from the record where it belongs. I am in frequent receipt of letters asking for documentary proof of baptisms or marriages which took place in this Diocese twenty or thirty or forty years ago. The writer often gives the name of the officiating clergyman, but sometimes only the part of the city in which the transaction took place. Sometimes the record is required as a part of the evidence to secure title to property, or the claim for a pension, and sometimes for that which is of more value than money. In most cases the record has been found, but sometimes when the identity of the clergyman and the locality of the church were undoubted, no entry appeared; or there was only the name of the person baptized, but nothing to fix the parentage. It is true that he who is most careful in such matters may sometimes forget to make a proper entry in his register, but there is no excuse for one who habitually neglects it. It is a duty to be performed in the fear of God."

These are not my words but the words of Bishop Whitaker before the Diocesan Convention of the last year of the last century. It shows that human nature does not change very much.

I would call the attention of the clergy to the requirements of Canon 44, section 3 of the General Church, especially paragraph (b) and to Canon XIV of this Diocese. The attention of the members of the vestry is called particularly to Canon 44, section 2, paragraph (c) of the General Canons.

The Committee on Canons is recommending to this Convention certain changes in Canon XIV. If the Convention votes to establish a Central Register for Missing Communicants, we will then have a fairly simple method of bringing our list of active communicants up-to-date.

Confirmations

The number of confirmations during 1944 was 3,132. 62 were received from the Roman Catholic Church, making a total of 3,194. This represents a healthy increase over 1943 but the number is still far too small. A layman has suggested that we try to secure 9% of our communicant strength or about 6,750 each year. 9% is an arbitrary figure and is put forth as a suggested goal. The layman selected this percentage figure because he believes that by securing 9% each year we could double the communicant strength of the Diocese in twenty years.

I have discussed this matter from time to time in the Church News and the reaction shows that some people in the Diocese do read our Diocesan paper. Many more communicants of this Diocese should be regular subscribers. The Church News brings to the whole Diocese, month by month, information that is needed if individuals and Parishes are to give whole-hearted support to our institutions and organizations.

The Rev. George Copeland deserves great credit for his work as editor for many years. When Mr. Copeland resigned, I appointed the Rev. Albert Judd as editor and he is carrying on the high standard established by Mr. Copeland. I wish that all members of the Convention would give Mr. Judd or Mr. R. Marshall Truitt, Chairman of the Department of Publicity, any ideas that you have for the improvement of the Church News or for an increased circulation. One obvious way for the circulation of the Church News to be increased is for all vestrymen and officers of all Parish and Diocesan organizations to become regular subscribers.

The Department of Publicity

The Department of Publicity now has a Director, the Rev. J. Jarden Guenther. His office is in the Church House. It is the desire of the Department to bring the work of the Diocese more fully to the attention of the general public, through the daily press. This can only be accomplished if such news is brought to the attention of the Department. Also, the columns of our Diocesan paper should have more news from the Parishes and Missions in order to keep our own people informed of our growth and progress.

Forward in Service

The United Nations Conference is meeting to unify all peoples for peace and security. For us, as Christians, there must be a *Christ an* basis—a foundation laid upon the example and teachings of our Lord—if there is any hope for a permanent, world-wide brotherhood.

Forward in Service—for a second year—emphasizes "Fellowship"—not just "Fellowship" but what is far more fundamental—CHRISTIAN Fellowship. Furthermore, it is Christian Fellowship expressed in action—for the sub-title of the 1945-1946 "Plan of Action" is the Missionary Imperative, which suggests three pertinent questions:

WHY— The Missionary Imperative?
Because our Lord gave the command: GO.

WHERE—The Missionary Imperative?
Again, our Lord's words come to mind—into all the world.

HOW— The Missionary Imperative?
By the consecration of the individual.
Jesus said, YE shall be My witnesses.

Briefly, the Plan of Action of Forward in Service for the coming year unfolds a world-wide vision of the need of the Gospel of Jesus Christ and challenges the Church—clergy and laity—to a leadership in the affairs of men—a leadership lifted out of the realm of wishful thinking into the reality of personal discipleship.

The Department of Christian Social Relations

The Department of Christian Social Relations will bring before the Convention a proposal which involves the addition of $10,000 to our budget. I do not want at this time to discuss the merits of the proposal, but I do want to remind you of what is involved in your vote. In a Diocese of this size it is necessary to have an Executive Council to take care of the work of the Diocese, but the tendency is for the Convention to duck its responsibility and refer all difficult problems to the Council with power to act. Our Diocesan Canons provide that no paid official shall be elected or his compensation fixed or increased except

by the affirmative votes of a majority of the whole number of members of the Council. This would require twenty-two affirmative votes.

The proposal of the Department of Christian Social Relations is a major one, involving the whole Diocesan structure. I earnestly request you not to vote that this proposal be referred to the Executive Council. The Executive Council has considered it and by majority vote of those present has referred it to the Convention for decision. If you think that the plan suggested is inadvisable at this time, you should vote, "No." If you think that the plan is desirable but the funds are not available, you should vote "No." If you believe in the policy enough to pledge your willingness to have your Proportionate Share increased to provide the necessary funds, then you should vote, "Yes." It will be made clear to you that the funds are not now available from our present budget. If you direct the Executive Council to proceed with this work, you should do so with the full realization that at the same time you are directing the Executive Council to increase the Proportionate Share assigned to your Parish.

Candidates for Holy Orders

I want to share with you my deep concern about the calibre of the men who are preparing for the ministry. A professor at one of our largest and best seminaries made the statement recently that in his opinion the seminary students today were definitely of lower calibre than those of a generation ago. Men do not ordinarily seek the ministry for financial reasons but I am told that a survey in one of our seminaries showed that most students would gain financially by entering the ministry of our church. I have no objection to financial aid being given to the seminary students but there should be many students from families who are able to pay all expenses. I know that there are families in our church who give their sons the best education possible in business, law or medicine. Why do not more of them furnish men for the ministry?

It is easy to state the problem. It is easy to criticize someone for our failure to secure the ablest and best of our young men for the ministry but nothing is to be gained thereby. Rather we should be thinking of what we can do to remedy the situation. I venture the following suggestions:

1. Every clergyman should impress upon his vestrymen that one of their most important duties—if not the most important duty—is to recommend a man as a Candidate for Holy Orders. A majority of the whole vestry must sign their names stating that they know the man personally and are convinced that he possesses such qualifications as fit him to be a minister in this church. I have heard of a Parish where the rector allowed the vestrymen to sign the canonical recommendation of a man whom they did not know. They did it with what seemed to be flattery of the rector—"I do not know the man but if our dear rector says that he is all right, I'll recommend him." Obviously this is not flattery but shows in what contempt such a vestryman holds the ministry. He wouldn't vote to take a man into his luncheon club or his golf club without a personal knowledge of the candidate but he treats lightly his recommendation of a man for the ministry. I believe that most of our clergy are careful about this matter. To allow a vestryman to recommend a Postulant whom he does not know personally would be criminal negligence, to say the least.

2. Laymen can help by suggesting to the ablest and best qualified young men in their Parishes that the priesthood offers the chance for a happy and useful life. A line officer in one of the infantry divisions

in Italy wrote me that he had discussed the matter with eight or nine of the finest young officers in his division. He is the last man in the world to try to use undue influence on anyone but he does feel keenly that the church must have the ablest leadership or it will be by-passed. The vestry of an influential and wealthy Parish (not in this Diocese) asked me for suggestions to fill the vacant rectorship. They impressed upon me that they wanted the best. I asked them how many men their Parish had sent into the ministry in the last thirty years. They replied, "None that we can think of. We may have helped some man financially but we cannot think of anyone of our regular membership." Those men were leaders in the business and professional world and yet evidently it had never occurred to them to take an active interest in getting and training this "best man" for whom someday they would be seeking. Such a Parish may have beautiful buildings, a huge endowment, excellent music and such things but it is a parasite, dependent on some other church to supply its leadership.

Men and women returning from this war are going to take an important place in our postwar world. What they think, and do, and want done, will count heavily in all phases of our life. It is our responsibility to see to it that they have the best possible leadership. It is a truism to say that the future of the Diocese is bound up with the type of leadership which it is able to produce.

in a letter from the Rev. Dr. Niblo, Dean of the Convocation of Norristown, addressed to Bishop Hart, under date of May 8, 1944. Bishop Hart, according to Canon 9, Section II, notified the Rectors and Secretaries of the Vestries of the three Parishes whose places of worship are nearest the site of the proposed mission's place of worship, of the proposed enterprise at that particular site, the three Parishes involved being St. Thomas, Whitemarsh, St. Peter's, Weldon, and All Hallows, Wyncote, and asked that any objection to this proposed establishment be made known to the standing Committee at its meeting on June 6, 1944.

Letters were received from St. Peter's, Weldon, and All Hallows, Wyncote, stating that they had no objection to the establishment of the proposed new place of worship. St. Thomas, Whitemarsh, was not represented, either by letter or in person, but the Rector had expressed to the President of the Standing Committee St. Thomas's official objection to this mission unless it were conducted by St. Thomas's Parish.

In view of the need for immediate action in the establishing of this mission, if it were to be established, and upon motion, it was unanimously agreed that the Standing Committee advise the Bishop to proceed with the establishment of the mission at Oreland, according to Canon 9, Section V.

The Bishop having given his approval, the Standing Committee unanimously approved applications for leave to organize as a Parish submitted by the following:

It was further stipulated that the Standing Committee does not construe the term "capital fund," as used in this connection, as including payment of a mortgage debt contracted to fund or pay an accumulated debt incurred for the payment of current expenses.

The Standing Committee gave its consent to the placing of a $5,000 mortgage upon the property of St. Peter's Church in the Great Valley.

APPENDIX F

Report of the Treasurer of the Diocese of Pennsylvania, 1944

The report of the Treasurer of the Diocese of Pennsylvania for the year 1944, audited by Charles S. Rockey and Company, certified public accountants, is submitted herewith.

Due to the magnificent cooperation received from the clergy and laity of the Diocese, we have closed the year with all current operating bills paid and, after meeting our commitment to the National Council of $150,000, the cash balance in the Missionary Fund, by direction of the Executive Council, has been transferred to the Suspense Account and earmarked for the reduction of mortgages for which the Diocese has assumed liability.

The Executive Council has likewise authorized the use of the 1943 and 1944 Diocesan Contributors' Funds previously held in Suspense Account for the same purpose.

The parishes and missions, the Woman's Auxiliary, and other Diocesan organizations, can take great credit for their work which has made possible a substantial improvement in the financial condition of the Diocese.

The record of payment of accepted proportionate share is as follows: three paid nothing, of these one has since paid and one has closed; ten have paid in part; twenty-eight have paid in full; one hundred sixty-three have paid more than their acceptance; four to whom no proportionate share had been assigned made a payment.

Special thanks is due the financial staff in the Treasurer's Office who have carried on the work faithfully during these difficult days.

FREDERICK R. DRAYTON,
Treasurer.

JOSHUA ASH PEARSON,
Assistant Treasurer.

APPENDIX G

Report of the Departments of Executive Council

The Secretary of the Executive Council wishes to bring to your attention the brief reports presented by the chairmen and deans showing in a general way the work of the Council. Of necessity these reports must be brief, but it is hoped that the members of the Diocese will feel free to make further inquiry of the work that is being done. There are committees that meet from time to time under the different departments and in a large way contribute to the work assigned by the Convention to the Executive Council.

The Council has found the experiment of meeting bi-monthly has saved time and permitted the Departments more thorough study of the work. The Council is the creature of the Convention and the Departments are given certain assigned work by the Council, and through the cooperation of the many members a valuable work is done in the name of the Church.

There are within the parishes of the Diocese men and women who would be helpful in serving in one of these departments, but their names can be made known only through persons who know their abilities. The secretary would appreciate receiving names of persons so interested and he could suggest these names to the chairmen of the departments.

CHARLES H. LONG,
Secretary of the Executive Council.

DEPARTMENT OF CHRISTIAN EDUCATION

DIOCESE OF PENNSYLVANIA

ANNUAL REPORT FOR 1944

A report of the Department of Christian Education is not, in the sense in which the phrase is commonly used, thrilling reading. Being a report, it is necessarily for the most part statistical, and whoever reads it will doubtless skip hurriedly over the figures which are given below. But behind the statistics is a warm, human story of a year's work in Christian Education in the Diocese of Pennsylvania. If the statistical veil were lifted, the gentle reader would discern the thrashing out of many and varied problems in connection with Church Schools, Parish study groups, the Summer Conference, and all the other ventures carried on under the auspices of this Department.

As always, our many thanks are owing to Miss Frazier and Miss Newman, both of whom have rendered yeoman service to the Department during the past year. It is to them that the clergy and Church School superintendents, and many others, turn with their questions and their problems, and they never fail to receive wise and helpful and friendly counsel. We are indebted as well to Miss Dorothy E. Kohl, who has worked conscientiously and lovingly with the Church School by Mail.

The Department is served also by many volunteers, whose invaluable efforts contribute to the effectiveness of our work. We are especially grateful to Miss Margaret Earle, who has given two full days a week in the office. Other volunteers, to the number of 129, have given generously of their time, and to them also we express our many thanks.

There were 1,169 visitors in the office during the year, not including those who came for meetings and conferences, and 1,969 incoming telephone calls and 1,041 outgoing calls.

At the October meeting it was found that we needed clarification of thought regarding the function of the Department, and a special committee was appointed to study this subject, under the leadership of Miss Katharine Grammer. The committee reported to the January meeting, and the following was agreed upon as the function of the Department of Christian Education in our Diocese.

First, we should *know and evaluate* current trends, significant new procedures and methods in Christian education; and we should establish standards and objectives in educational work for individual parishes and missions, and for the Diocese as a whole.

Second, we should *share and co-operate,* which would involve us in planning and conducting schools, conferences, and other training facilities; in co-operating with Diocesan groups which undertake educational programs, and also with interdenominational religious education projects; and in co-operating with the National Division of Christian Education, exercising educational oversight of the use of its material in the Diocese.

Third, we should *interpret and promote,* which would comprise informing the Diocese of valuable and significant new trends, materials, and methods in Christian education; providing consultative service; accepting responsibility to and for established teaching centers; stimulating new work where it is needed; and conducting an information center which would offer library facilities and information on related services, such as visual education, drama, etc.

It is our aim to fulfill this function, to increase the usefulness of the Department to the Diocese in every possible way. We do this in the conviction that a full program of the work of the Department comprehends the points that are mentioned, and that only a Department of Christian Education functioning along such lines can be of adequate service to the Church in these times.

Committee on Special Offerings,
The Rev. W. Roulston McKean, Chairman.

Committee on Church Schools,
Mrs. George C. Bland, Chairman.

After seven years of devoted service the Rev. J. Wesley Twelves resigned as chairman of the Church School Committee to take up other work in the Department. The Committee was then divided in two as listed above with the Church School Committee starting to study the particular problems of Church Schools.

The Lenten Offering raised under the supervision of this committee amounted to $48,960.10, an increase of $5,748.74 over the previous year. The Offering was presented at a great outdoor service on the grounds of the Episcopal Academy on May 21st. Bishop Hart preached and Bishops Craighill and Beecher accepted the offering for foreign and domestic Missions. The attendance was about 3,000. In the procession, with crosses and banners, were 900 children from forty-eight junior choirs.

The Advent Offering from the children of the Diocese, amounting to $1,212.47, from thirty-eight parishes and missions was for new missionary work in the Convocation of Germantown.

Mrs. Lorin Blodget continued as Christmas Box Secretary for this Department and the Department of Christian Social Relations of the Women's Auxiliary, coordinating the Christmas giving to Institutions and Missions.

The Birthday Thank Offering amounted to $67.79.

The 74th Annual Church School Institute was held in the Christian Association building on October 2nd for clergy, superintendents, and teachers. There were 350 present. One of the main events was a showing of the film "We too Receive," followed by a talk on Visual Aids in Christian Education by the Rev. William Thompson.

Committee on Vacation Church Schools,
Miss Eleanor A. Deane, Chairman.

So far as the Committee has knowledge, thirty-three schools were held during the summer months, eight of which were aided by the Department, and ten were Community Schools. In spite of the many problems in finding adequate leadership, a sufficient number of leaders was secured for the schools which applied. The Diocese as a whole does not yet see the great value in this means of Christian Education.

Committee on Weekday Religious Education,
Miss Helen C. Washburn, Chairman.

The Weekday Religious Education Committee is conducting its experimental school in St. Stephen's Church, Clifton

Heights, for the third year. This school, which includes all twelve grades and is operated on released time from the public school, has proved a helpful center in which to study the problems incident to a parochial type school. By the end of this school year the Committee expects to complete this phase of its study. The school was continued through this year so that the Inter-denominational Council of Clifton Heights could study the wisdom and possibility of setting up a joint school. Pupil enrollment is slightly larger than last year, with Public School enrollment lower than last year. We have a good staff —six teachers and a Director. Excellent contacts have been made and maintained with the Public School and with other religious bodies. There have been meetings between our staff and the Public School teachers, the clergy and teachers in the other Weekday Church Schools, St. Stephen's Sunday School teachers and the parents of St. Stephen's boys and girls. Our diocesan Committee has been instrumental in encouraging the formation of an Interfaith Community Council which meets at stated intervals with the Supervising Principal of the Clifton Heights Schools.

Plans are being laid to undertake a study of the Community Type School upon the completion of our work in Clifton Heights this spring.

Other sub-committees are actively at work endeavoring to recruit qualified teachers, to interview available candidates, to plan for teacher training and to study curriculum needs and materials.

The Committee continues its representation on the State and City Councils of Weekday Religious Education, and this winter is represented by two members on the Schoolmen's Week program on Weekday Religious Education.

Church-School-by-Mail,

The Rev. Peter C. Van der Hiel, Jr., Chairman,
Miss Dorothy E. Kohl, Director.

During 1944, 317 children were on the roll. Thirty-two succeeded in attending the nearest Sunday School, nine to Episcopal schools, and twenty-three to other schools; some moved away, and some out-grew the Church-School-by-Mail, making the

total at the end of the year 252. Of these, there are 182 in the Chester Convocation, 34 in the Germantown Convocation, 33 in the Norristown Convocation and three miscellaneous. These children live in the outlying districts of eighteen of our rural parishes and missions. About 13,624 lessons were mailed, and out of 107 families, there were 46 who responded regularly, 42 irregularly, with returned question sheets and letters, while 7 others when visited were found to be doing the work. The worker made 115 visits. There were 24 baptisms and 3 confirmations. Members received 1,205 personal letters, and 569 were written to clergy, scholarship donors and others. Women's Auxiliary Branches, Church Schools and individuals contributed 152 scholarships at $3, and donations towards Christmas presents. A Lenten Offering of $42.20 was received from the pupils.

Youth Commission,

The Rev. Louis E. Fifer, III, succeeded the Rev. John N. Peabody in March.

The Annual Diocesan Youth Service was held in St. Stephen's Church, Philadelphia, on March 5th. It was a dramatic service built around the theme, "United We Make America." One hundred and forty young people from ten parishes took part in the service. The total attendance was over 400.

In June, six delegates attended the Provincial Council Meeting at the College of Preachers.

Two young people were sent to the large Interdenominational Youth Conference at Lakeside, Ohio. One of them, Sadie Stridiron, has been appointed to the National Youth Commission.

In September the Youth Commission attended a meeting of the Diocesan Commissions of the Province at Harrisburg, where the United Movement of the Church's Youth was discussed and the program studied.

The Youth Convention was held at the Church of the Resurrection, Philadelphia, on October 14th. There were 240 in attendance from 45 parishes.

Committee on Schools of Christian Education,

Miss Margaret Earle, Chairman.

The Winter Conference was held on the five Tuesdays beginning January 18th. Registration was 339 persons from 95 parishes. A class for Vestrymen was held for the first time, and was attended by 85 men from 53 parishes.

The School of Christian Education was held on six Tuesdays starting October 17th, with a total attendance of 164 from 63 parishes.

Committee on Summer Conferences,

The Rev. Peter C. Van der Hiel, Jr., Chairman.

The sixth Diocesan Summer Conference was held at Beaver College, Jenkintown, for the second year. The Rev. Edmund B. Wood was Chaplain and the Rev. Peter C. Van der Hiel, Jr., Director. The total enrollment was 182 persons, including 31 members of the faculty and staff and 11 day students. The number of those under 20 years old was 80.

Committee on Adult Education,

The Rev. J. Wesley Twelves, succeeded the Rev. Reuel L. Howe in September.

The education of parents and sponsors occupied the attention of this Committee and in October it published a leaflet to give to parents and sponsors at time of Baptism, entitled "We Prepare for Baptism."

Committee on a Christian World Order,

Bishop Hart, Chairman,
Louis M. Washburn, Vice-Chairman.

This Committee sponsored a course in the Winter Conference entitled "Christian Action on World Order" which was well attended. During the year it has enlisted 12 laymen from various areas of the Diocese to serve on the Committee and promote the study of a Christian World Order in the parishes of their area.

Reference Committee (formerly called Resource Committee),

The Rev. Charles F. Ehly succeeded Mrs. C. Stanley Rogers as Chairman in October

This committee was inactive during the year.

Committee on Theological Education. Inactive.

FREDERICK W. BLATZ,
Chairman.

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

The Department of Christian Social Relations met under its new Chairman, the Rev. E. Felix Kloman, and organized with William O. Gilbert, Vice Chairman; the Rev. Thomas A. Meryweather, Secretary. Committees were formed for Legislation and Resolutions, Institutions and Agencies, Interracial Relations, Economic Democracy, Promotion, Education and Publications, and Marriage and the Family. An Executive Committee was authorized consisting of the officers and committee chairmen.

A budget was proposed and submitted to the Executive Council. This budget was not approved. The Department was given a budget of $450 to be expended as follows:

Philadelphia Federation of Churches	$150.00
Central Committee of the Dioceses of the State of Pennsylvania	100.00
State Federation of Churches	100.00
Postage and Stationery	100.00
	$450.00

The work of the Department has been slow in getting under way. The Hon. Clinton Rogers Woodruff, who served as Chairman of the Department for so many years, has been greatly missed as Chairman. The present Chairman not being familiar with the work of the Department has had to go slow. The Department is greatly handicapped by the lack of an adequate budget which would permit it to have a full-time Executive Secretary.

A statement of policy and purpose was prepared and submitted to the Executive Council of the Diocese for its approval which was given. The statement follows:

The purpose of this Department is to promote the Christian way of life in the social relations of today. This will be done by assisting the Parishes and Missions of the Diocese in preparing themselves, so that the Church shall in the future be better able to lead in the changing days that are ahead.

At a time when the philosophy of social relations may be determined by groups with selfish intentions, by non-Christian social scientists or by the expedience of a world at war, there is the utmost need for a clear statement as to the Christian philosophy of social relations.

The Church has a six-fold purpose: to reveal divine power and truth, to teach and to strengthen the faithful that they may be instruments in the establishment of His Kingdom, to convert the wayward by the power of God, to combat evil in the name of God, to work in His name for the physical welfare of humanity, and to establish a Christian brotherhood regardless of race or creed.

With these purposes of the Church in mind, the Department believes that it has a double duty: (1) on behalf of the Bishop and the Executive Council, to develop programs of study and action in social relations and to promote these among the Parishes and Missions; and (2) to be a source of information as to facts and methods which may be called upon by the Parishes.

To this end therefore the Department will endeavor to be in a position to provide the following services:

1. Information concerning sociological data affecting the Diocesan area.
2. Information as to secular and Church agencies and institutions.
3. To develop and promote Parish programs in the field of social relations.
4. To take an active interest in legislation and in the administration of laws affecting social relations particularly in the field of youth welfare, the family, labor, and race relations.
5. To assist in community programs for post-war planning, supplementing the work of the Diocesan Committee to Study and Promote World Order.
6. To develop and promote Parish programs affecting race relations, supplementing the 1944-45 program of the Diocesan Forward in Service Commission.
7. To make public through the Church News or by news letters, changing trends in social relations.

Highlighting the Department's activities has been its concern with (1) race relations, (2) economic democracy, and (3) its attempt to present the social responsibilities of the Church fellowship.

1. During the transportation tie-up in August, 1944, the Department, with the Bishop's approval, issued the following statement:

> In the deplorable transportation tie-up now affecting the City of Philadelphia, there appears to be three separate situations, all interrelated.
>
> First, the unwarranted stoppage of public transportation has seriously affected the progress of war industries at a time when a critical labor shortage exists in this area. This is a flagrant violation of an order of the Government of the United States.
>
> Second, the upgrading of certain transportation operators gives no license for persons to adopt the very point of view of race superiority which our brothers and sons are trying to stamp out in other parts of the world.
>
> Third, acts of lawlessness and of wanton destruction never aid a just cause and such action should be dealt with impartially and firmly by the proper authorities.

A committee consisting of the Bishop, Chairman, Vice Chairman and Secretary and Father Caine has been asked to visit City Editors of the local newspapers to try to get an understanding of why the papers use the term Negro in connection with criminal action of individuals. The Department feels that such use has a bad psychological and spiritual effect upon both Negroes and whites.

The Department heard with much interest of the work at the Annunciation under the leadership of Father Harris. Feeling that the Diocese has at the Annunciation a splendid opportunity to minister to Negroes the Department requested that the matter be referred to the Convocation of North Philadelphia for action in implementing the budget to enable the Annunciation to operate a full week-day program. The Combined Operations Committee of the Council of Social Agencies is much concerned in the area around the Annunciation and would like to see the week-day program there expanded.

2. Mr. J. A. Reitz, of the Army-Navy Y. M. C. A. of Philadelphia, who was a delegate to the Labor Conference in Pittsburgh in 1944, appeared before the Department and made an earnest plea for the Church to understand the aims of labor and whereinsoever they are in accord with the Christian gospel to cooperate fully.

At a clergy conference in the Diocese primarily concerned with College Work the Rev. Francis B. Sayre, Jr., Chaplain Corps, U. S. N. R., outlined a plan for Chaplains after the war in industrial plants. His suggestion is being considered by the Committee on Economic Democracy of this Department.

3. Sunday, November 19, 1944, at 4 p. m. in the Church of St. Luke and the Epiphany, the Rev. William H. Melish preached at a service sponsored by the Department on the "Social Responsibility of the Church," emphasizing our need to examine critically the Churches' alignment with the present economic system, and the need to bear convincing Christian witness to the Fatherhood of God and the Brotherhood of Man.

The Department in its reports for a number of years has been calling the attention of the Diocese to the need for a full-time Secretary that this Diocese might assume its proper position of leadership in the fields of social relations and social service. This report again emphasizes the critical need for such a person and asks that the Executive Council pass the following resolutions:

(1) Be it resolved that it shall be the duty of the Department of Christian Social Relations to study social problems and opportunities for social service and their relation to the Church, and the relation of the Church to them, and to take such action in connection with the above as shall seem proper, and as approved by Executive Council, or in the interim by the Executive Committee of the Executive Council and the Bishop.

and

(2) Be it resolved that there shall be a Secretary of the Department of Christian Social Relations to be appointed by the Bishop, subject to confirmation by the Council, which shall also fix his term of office and salary.

and

(3) Be it resolved that it shall be the duty of the Secretary of the Department of Christian Social Relations when requested by the minister of a Parish or Mission, to visit such Parish or Mission and to advise upon any matter relating to its social service work; to be ready, as occasion offers, to present the cause of Christian Social Relations and Social Service to congregations; and to perform such other duties in connection with the Social Service work of the Diocese as the Department of Christian Social Relations may assign him.

This report and its resolutions are respectfully submitted to the Diocese through the Executive Council for its prayerful consideration and action.

E. Felix Kloman,
Chairman.

THE FIELD DEPARTMENT

The Diocesan Finance Committee, cooperating with the members of the Field Department, has presented to the Diocese a new plan called "The Proportionate Share" for the Parishes and Missions of the Diocese.

The plan had its start for the year '44. The result was admirable. There was no need for Diocesan contributors. However, the full amount of the Diocesan Budget was not subscribed.

We are seeing a much better result of the plan for 1945. The Budget is practically subscribed. Each Convocation has increased its Proportionate Share until there is a very small gap between the Budget and the accepted Proportionate Share.

This plan was inspired by Bishop Hart, who stated plainly that we had one of two choices. Either we must increase our giving or cut our Budget. There could be no deficit financing any more. Enthusiastic leadership with missionary vision is what the Diocese has needed for a long time. Bishop Hart is supplying that leadership and the Clergy and lay people are responding with a fine spirit.

The result, the Diocese is paying its way as it goes, month by month, and we are all very much happier in our work for the extension of Christ's Kingdom.

Charles W. Shreiner,
Chairman.

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1944 and gave constant thought and study to the many financial problems confronting the Diocese throughout the year.

The Committee on Financial Safeguards, a sub-committee of the Department of Finance, with Mr. Edward B. Clay as

Chairman, has met several times during the year, and their report will be found elsewhere in the JOURNAL.

Payments were made during the year against principal on mortgages as follows:

Ascension Mission, Rhawnhurst	$1,000.00
St. George, Richmond	1,000.00
St. Mary of the Annunciation	200.00
Zion	500.00

The Department notes with pleasure that all bills of the Diocese, and its Expectation to the National Church for 1944, have been paid in full. The item in the budget for mortgage reduction was suspended with the understanding that any money remaining after the Expectation was paid would be used for the reduction of mission mortgages on a pro rata basis. For this purpose $10,000 was appropriated for reduction of principal on mortgages to missions who had raised a like amount.

JOSHUA ASH PEARSON,
Chairman.

REPORT OF SUB-COMMITTEE ON FINANCIAL SAFEGUARDS FOR 1944

On May 11, 1944, a letter was sent by the Committee to all Rectors and Accounting Wardens in the Diocese, calling attention to the revised Canon XVI "On Business Methods in Church Affairs," and enclosing copy of the revised Canon. The Committee requested all Accounting Wardens to notify the Chairman, if possible, prior to December 31, 1944, whether or not the provisions of Canon XVI were being lived up to in their respective Churches. The Committee also asked the Rector of each Church to call this matter to the attention of his Vestry.

On December 6, 1944, a questionnaire was sent to all Rectors and Accounting Wardens requesting them to check as to their compliance with Canon XVI.

As of this date replies have been received from 91 Parishes and Missions, of which 70 Parishes and Missions are complying with all provisions of Canon XVI; 19 are not complying with one or more of the provisions; 2 questionnaires were returned without any signature; on one further information is needed.

It is earnestly requested that all Accounting Wardens who have not filled in and returned the questionnaire, do so at the earliest possible moment.

Mr. Robert T. McCracken, the Chancellor of the Diocese, has been co-operating on the feasibility of a Plan of Investment of Church Funds through one central agency other than the funds now placed with the Church Foundation. As this matter presents many problems a final report cannot be made at this time.

Respectfully submitted,

EDWARD B. CLAY,
Chairman.

REPORT OF THE DEPARTMENT OF MISSIONS

We regret very much the resignation of the Rev. Stanley R. West as Chairman of this Department. His wise leadership and counsel have contributed a great deal to our Missions. He has given long and valuable service to the cause of Missions and we are glad that he will continue as a member of the Department, where we know his long experience will prove of great value.

Early in the year the Department decided to create an Executive Committee consisting of Deans of Convocations and the Chairman and Secretary. Later on, Bishop Hart requested the Executive Committee as so constituted to serve as a Planning Committee for the Diocese.

During the year in the Convocation of Chester, some mortgages on Missions have been appreciably reduced and others cleared off entirely. Dean Shreiner hopes that three of the four remaining mortgages on Missions will be liquidated by the end of 1945.

The Forward Plan of the Convocation of Chester, printed recently in The Church News, was approved and adopted by the Department and commended to the Diocese by Bishop Hart with the hope that throughout the Diocese this plan might be considered and adapted to the needs of the several Convocations.

The situation in the three Philadelphia Convocations, due to the constant shifting in population, has created problems which

will require serious study and careful planning for the future. Deans Bonynge, Shryock and Snowden are giving these problems their careful consideration.

Dean Niblo, in the Convocation of Norristown, is directing a plan providing for a survey of Oreland for the purpose of establishing a Mission there.

In the Convocation of Germantown, Dean Caley has been assigned oversight of the Missions in Bucks Co., which he will carry on together with his work in Langhorne.

The Department is planning to consider ways and means by which non-official members may be more fully informed on convocational plans and take a larger part in carrying them out.

The reports of the Deans for the Convocations will provide a more detailed account of the missionary work in the Diocese.

CHARLES E. TUKE,
Chairman.

CONVOCATION OF CHESTER

The twenty-five Missions in the Convocation of Chester have had the most remarkable year in their existence. We hear on all sides of the growth and development of our Missions, of the fine work that the Vicars and people have been able to accomplish in the year 1944.

During the past year four of our Missions raised something like $15,000 toward the reduction of their mortgages. They were rewarded with a gift of $5,000 from the Diocese. Twenty years ago the mortgages amounted to over $150,000. The year 1945 will see mortgages on Mission property in the Convocation eliminated with one exception. That exception is Trinity, Collingdale, which will pay off the last of its mortgage in 1946.

It just does not seem possible that this result has been brought about. It is due largely to the inspiring service rendered by the women of the Convocation. It has been an inspiring experience to go to the Spring Meeting of the Woman's Auxiliary to the Convocation and see the happiness and pleasure they get out of presenting their yearly offering. That offering amounts to as much as $2,500, $2,000 of which has been given

to a Mission that has matched the amount through its own efforts, thus reducing the mortgage by the amount of $4,000.

We may well undertake new work when we have such a band of men and women, as we have in the Convocation of Chester, who accept responsibility in providing funds for Church Extension.

The Convocation has adopted the plan of giving at least 10% of the "Proportionate Share" as an added gift for Church Extension in the Convocation. This is a new departure in the life of the Diocese but one that will shower blessings as it goes. We believe something like $10,000 a year will be given to Bishop Hart at an annual service each June for this purpose.

With building costs as they are, it will be necessary to use this offering for two years to build the first unit of the various Missions we hope to establish. In cold figures that really means that the Woman's Auxiliary to the Convocation will take as its work, after the mortgages are paid, the purchase of lots, adequate lots, at a cost of about $5,000; and the men of the Parishes and Missions will give approximately $20,000 for the building.

It will then become the responsibility of the people of the Mission to complete the plant with Rectory and Church or Parish House. That ought to make for sound development and permanent growth. The Bishop will appoint to each of these new places of worship a capable man who will make the most of his opportunities.

St. Alban's, Newtown Square, established under the wise direction of Dr. Crosswell McBee, and the people of St. David's, Radnor, has been turned over to the Diocese. The people of St. Alban's have petitioned the Bishop and Standing Committee to become a Mission of the Convocation. It is my belief that they will be a self-sustaining Mission in a comparatively short time. We hope to make St. Alban's the second place on our plan for Church Extension.

St. James, Prospect Park, under the devoted and inspiring leadership of Father Reinhardt, has assumed all its responsibility and has made application to become a Parish. Father Reinhardt has taken under his care St. John's, Essington. The

result has been little less than miraculous. Great things are in store for St. John's.

One of the most encouraging things that I have seen in the Diocese is the action of several of our Vestries, where mortgages have been eliminated, to increase the Rector's salary from the minimum of $2,400 to $3,000. What a splendid recognition of the untiring efforts that have been made by our Vicars.

May I take this opportunity of saying how much the Executive Committee of the Convocation has done in forming and working out our plans. These fourteen men have been a tremendous blessing to the Dean. Nor am I unmindful of the loyal support given by the Clergy and lay people of the Convocation in every piece of work that has been attempted in the Master's Name.

CHARLES W. SHREINER,

Dean.

CONVOCATION OF GERMANTOWN

A number of changes took place in the Convocation during 1944. The Rev. Elden B. Mowers assumed the Rectorship of Zion Church, Logan; the Rev. Theodore E. A. LeVan became Rector of the Church of St. David, Manayunk. The Rev. Arthur W. Gibson resigned as Rector of Christ Church, Eddington, to which place the Bishop appointed the Rev. Albert W. Eastburn as Vicar. The Rev. Ronald A. Wiley, a Deacon, was placed at the Church of The Redeemer, Adalusia. The Rev. Waldo D. Parker went to the Diocese of New Jersey and the undersigned resigned as Rector of St. Alban's Church, Roxborough, and became Vicar of St. James' Church, Langhorne, with oversight of the work in Bucks County.

We are again happy to report that another of our Missions, this time St. Gabriel's, Feltonville, has assumed the status of a Parish. The Rev. William T. Metz and his people have worked long and faithfully to achieve this result and we congratulate them on their success and pray that God will continue to give them His blessing.

Also, during the year, St. Stephen's Church, Wissahickon, relinquished all aid from the Diocese, and has done splendid work under the able leadership of the Rev. John W. Talbott.

The Polish work which had been carried on not too successfully for many years at St. Mary's, Manayunk, has been closed. Most of the other Missions have shown steady growth.

Cottage services have been started in the Trevose section of Bucks County and a survey is under way to determine the advisability of starting a Mission in that vicinity.

I want to express my sincere appreciation to the clergy and laity, and to the officers and members of the Woman's Aid for their loyal support and enthusiastic cooperation, without which it would be impossible to do anything.

N. Herbert Caley,
Dean.

CONVOCATION OF NORRISTOWN

The year past has witnessed greater progress in the work of the Missions in this Convocation than for a considerable time. Every Vicar has given unstinted service and deep devotion, with results of a most gratifying nature.

Advent, Hatboro and Holy Trinity, Lansdale had occasion for special rejoicing during the year because at both Missions their entire indebtedness was paid. No longer does any problem of debt confront them and they both are looking forward to the day when they will be able to assume full Parish status. Plans are being laid in order to accomplish this end.

Epiphany, Royersford has been a small Mission for many years, yet numbers a group of communicants of the Church unsurpassed for loyalty and faithfulness. The spiritual oversight and sacramental ministration is given by the Rector of St. Peter's Church, Phoenixville, while a devoted Lay-Reader of his Parish conducts the Sunday Services and Church School.

The Vicar of Emmanuel, Quakertown, has now given a full year of faithful service in that Mission. A large part of his congregation live in the rural sections and are most grateful for the Church's ministrations.

The physical structure of Trinity, Gulph Mills, has been completely renovated and extensive repairs have been made.

This work has been accomplished through funds supplied by the Diocese, Woman's Aid to the Convocation and the Mission, and a great deal of personal labor on the part of the Vicar and members of the Mission.

A new work is contemplated at a place close to Oreland. Here a half dozen new housing projects have developed, with several others awaiting the end of the war. The Church is challenged to provide a place of worship and to give spiritual care and training for the young in this area where at present there are hundreds of families unattached to any Church. A survey has been made in the new sections and many people have expressed a strong desire for an Episcopal Church to be situated in their midst.

The work in this Convocation is greatly helped by the efforts of the Woman's Aid to the Convocation under the able leadership of the President, Mrs. Lewis C. Dick.

JAMES M. NIBLO,
Dean.

CONVOCATION OF NORTH PHILADELPHIA

There have been a number of clergy changes in the Missions of the Convocation during 1944. The Rev. Morris W. Derr was transferred from St. George, Richmond to St. Barnabas, and the Rev. Arthur F. Gibson went to St. George's. The Rev. Louis W. Johnson was transferred to St. Mary's, Chester, and the Rev. Dr. Percy R. Stockman was appointed Vicar of St. Paul's, North Penn, with the assistance of a Lay Reader, Mr. Parker, a student at the Divinity School. The Sunday School for the Allen Homes, held at the Christian Settlement House, has been continued under the direction of Mr. Paul Washington, also a divinity student.

There have also been clergy changes among the Parishes. The Rev. Benjamin R. Priest accepted a call to Cincinnati, and the Bishop has become Rector of St. James. The Rev. Gideon C. Montgomery has become Rector of St. Luke's, Kensington, and the Rev. Charles B. Mauch, Rector of St. Nathanael's. The Rev. Jesse H. Hawkes has been conducting services at St. John Chrysostom.

A Polish congregation, formerly meeting at St. Stephen's, Wissahickon, has been holding services at St. James the Less, under the supervision of the Rev. Edward M. Baczewski.

Two of the Missions of the Convocation, St. George's, Venango and St. Paul's, North Penn, are now receiving no help from the Diocese.

JOHN K. SHRYOCK,
Dean.

WOMAN'S AID TO
THE CONVOCATION OF NORTH PHILADELPHIA

Another year has been added to the life and work of the Woman's Aid to the Convocation of North Philadelphia, and in spite of extra demands of war work, Red Cross, etc., the three stated meetings were well attended. Mornings of Prayer and Meditation were well attended too, proving of deep spiritual value and benefit to all of us.

We are happy to announce that Miss Emilie Buckley has kindly consented to act as District Chairman of Christian Education, and under her leadership we shall become better acquainted with conditions prevailing in this and other countries.

Thru the kindness of Rev. E. Felix Kloman and the vestry of Christ Church and in cooperation with the Elfreth Alley Association, a very delicious supper was served June 3, in the lovely and tranquil garden of that dear old Church; and in November thru the courtesy of Rev. W. Roulston McKean and the vestry of St. Matthew's, a Square Dance was held in the Parish House. Both affairs were most enjoyable and quite remunerative. Whatever success has been, or, will be, achieved at any of our affairs, is due not only to the earnest endeavor of a few, but in a large part to the faithfulness and loyalty of officers and members alike and to the helpful and sympathetic direction of our Dean, Very Rev. John K. Shryock.

Again, thank you all for splendid support. Without you there would be no report.

MARY P. HARRISON,
President.

SOUTH PHILADELPHIA CONVOCATION

The work of the Church in the Southern end of the city of Philadelphia has been maintained by the clergy and missionaries with praiseworthy zeal and fidelity.

Difficult at all times, and especially today, because of changing conditions, the peculiar sphere of the city clergyman seems to be that of conserving ground already appropriated by his Church. If he can succeed here, he is definitely doing work, which may justly be described as good.

We feel that the clergy of South Philadelphia fit admirably into such a category. The effectiveness of their work may be found in the fact that every Parish and Mission of the Convocation for the year 1944, either met or exceeded its expectation of the money it promised to raise for the Diocese and General Church. This is a record of which any group of Parishes might feel justly proud.

The Dean desires to thank all the clergy and missionaries with their local treasurers for such splendid cooperation.

Like other districts, we had our losses in the twelve months just past—notably represented by the passing of the Church of the Holy Apostles at 21st and Christian streets, always a great center of missionary activity, and where the Sunday School for many years led every other Church School in the United States in its contribution for Missions. It was at Holy Apostles, that many of the policies and plans, which afterwards were incorporated into the practice of the Church as a whole—received their original shape as a result of the dynamic leadership of Mr. George C. Thomas, who became Treasurer of the National Board of Missions in New York City. Holy Apostles was known all over the world, visited by almost every Bishop of our Church, and in addition its Visitor's Book contains the names of the Archbishops and Bishops of the English and American Churches.

Thank God its fine witness will continue in its new habitat at 51st and Spruce Streets, under the devoted leadership of Rev. John H. A. Bomberger, who will, we feel, worthily maintain the splendid tradition of the past. The Southern Convocation salutes it for its sterling worth, and prays that God's blessing will be with it in the future at all times.

Another loss of the past year was the closing of the Church of the Holy Comforter, 19th and Titan Streets, where for many years, the Rev. J. W. B. Stewart had worked with fine courage and zeal. As a unit, the people of Holy Comforter were most cooperative in the Convocation. Many of them, we are glad to say, have been received into neighbouring congregations, where their presence and work are most helpful.

Rev. Gustav C. Meckling reports a complete overhaul of his Mission records, and a complete visitation of the congregation with good results. He says that many of the women of the Chapel of the Transfiguration had taken war positions during the year, which meant a temporary break in their attendance at the Church services. From the Chapel 47 boys had entered the armed forces of the country. Three had fallen in the struggle. Mr. Meckling feels that the Chapel, as a focal point for his people, is supplying a real spiritual need in the district it serves.

The Chapel for the Hard of Hearing was marking time until conditions would warrant the release of hearing aid equipment. Once that result had been achieved, they hoped to increase their congregation considerably. From the Hard of Hearing group 41 young men had gone into the service of their country.

From St. Elisabeth's Church, 16th and Mifflin Streets, Rev. Francis B. Roseboro reports that he has 70 on his Honor Roll, and that 5 had died on active duty.

The Church was exerting itself to meet the abnormal conditions created by the war, by serving those in the various sections of the armed forces and their families at home.

In his neighborhood they had two troops of Scouts, regular and sea scouts; also a 'Teen Age Canteen with an attendance of 186. He felt that the work was justifying itself, seeing that the people of the district were ranging themselves behind the Church in the effort it was making on their behalf.

In addition to this, they were planning a Community Center—a new venture for servicemen and their families, to deal with some of the many problems which the war has brought out into the open. The Church, represented by the laity, men and women, kept in touch with all those who had left for the different fields of operation, and it was doing what it could for them when they got home.

Holy Spirit Mission, conducted by the Rev. John R. Logan, Jr., at All Saints' Church, 11th and Moyamensing Avenue, reports that they had a better year in 1944 than they had during the previous twelve months.

Nine of his boys were in the armed forces.

For St. Mary's Church, Broad and South Streets, Rev. Thomas E. Della Cioppa says that the work in general had been very good, attendance at some of the Sunday morning Celebrations showing exceptionally good interest in his ministration. On several occasions it reached over two hundred communicants, 100 of whom received Holy Communion at the 8.30 a.m. service. There had been good cooperation between the American and Italian sections of the congregation.

In the Services they had about 80 of their boys.

As Dean of Convocation, I wish to place on record a sense of my deep obligation and thanks to the Woman's Aid to the Convocation for loyal and helpful participation in all that was attempted during the year. What would the Church of God in Philadelphia—or anywhere else—do without the generous and interested assistance of its devoted women. Frankly, I don't know.

We pray that God may continue to bless the efforts of all our devoted people, so that the Church may continue to enrich the lives of children—young and old alike.

FRANK BONYNGE,
Dean of Convocation.

WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

1944 REPORT

Mrs. Welsh Strawbridge gave a most interesting talk at our yearly Missionary meeting in January on Christian Living. The afternoon was devoted to the regular work of the Woman's Aid, when we discussed amongst other subjects our special Missionary object for 1944, viz., work amongst the 3 Colored Churches of Crucifixion, Phillips Brooks, and Holy Spirit Mission. From gifts brought in at the May meeting the sum of $315 was realized and divided equally. The Daily Vacation Bible Schools of Phillips Brooks, St. Elisabeth and Transfiguration Mission were aided, as well as the Episcopal Hospital, and St. John's Settlement House.

Christian Social Relations were given practical help. The Elizabeth Price Martin League received for the Philadelphia General Hospital $67 and 125 packages, also 93 sundry articles. These were given to the patients at Christmas by that efficient worker—Mrs. Frederick S. Fox—and a band of willing helpers. The Needlework Guild under the splendid leadership of Mrs. Frederick W. Blatz gathered for distribution amongst the poor and needy of Philadelphia—irrespective of race or creed—$61.93 and 851 garments. Educational Day for the Blind—a most worthy cause—was assisted by gifts of $178.75 and one cake.

As this is my concluding report I would like to pay tribute to the generous support received from all the Churches in the Convocation and to the fine cooperation of all the Delegates for which I am very grateful.

ANNABEL BONYNGE,
President.

CONVOCATION OF WEST PHILADELPHIA

The Convocation has only three Missions. Two of them are for the colored people and the other for white people. In all three the work is progressing. On January 1st, the Rev. Arthur Moore, of St. Monica's and St. Cyprian's accepted a call to work in the Diocese of New York. His leaving caused some re-arrangement in the schedule of services temporarily. Fr. Ziadie was given oversight of St. Cyprian's, and Fr. Davis of West Chester was appointed to care for St. Monica's. Fr. Davis will not move into the City for sometime and will have associated with him Mr. Terrell a candidate for Holy Orders and a student at E.T.S., Cambridge. By this arrangement our Mission work will be maintained. Eventually Fr. Davis will have full charge of St. Monica's alone with the hope that it may become a Parish.

There are strong evidences that West Philadelphia has been elected as the area in which a great problem will be posed. We refer to the housing situation and immigration of a large number of Colored people into this locality. This is in essence an economic problem although it may assume various expressions as substitutes. There is at the present time a movement of peoples which disturbs the stableness of existing Parishes. The future of a number of our older Parishes is definitely uncertain. If this Convocation is to meet the crisis looming on the horizon it should have at least $100,000 at its disposal in order to purchase Churches when and if they desire to move their congregations to a new location, and the Churches so purchased should be transferred for work among the Colored people. We suggest this as the best plan at this time for we see little hope of mixed congregations in the near future.

To the Woman's Aid we pay homage. They have been a tower of strength in all our endeavors. Their constancy and zeal in supporting the Church is ever a comfort and encouragement.

C. E. SNOWDEN,
Dean.

ANNUAL REPORT OF THE WOMAN'S AID TO THE WEST PHILADELPHIA CONVOCATION

The special project for this year was to assist in the purchase of a Rectory for St. Monica's Church. A substantial amount was raised at a successful supper in June given by the Woman's Aid and held at the Church of the Saviour.

Three stated meetings were held and well attended; in May, our guests were the chairmen of "Woman's Aids" of North Philadelphia, South Philadelphia, and of Norristown, who gave us a clearer picture of conditions of Diocesan Missions. In addition, an Educational Day and a Devotional Day were held. The Rev. Robert Frazier gave a very interesting talk on the American Indian at the Educational Day. The Rev. Philip Fifer was the able leader of our Quiet Day.

Mrs. Campbell, Chairman of Social Service, reports that at Christmas time all appeals were met and candy provided for the Sunday Schools of the Missions. The Woman's Aid contributed towards the Vacation Church Schools and towards painting at St. Titus Mission.

At present we are conserving our funds for a Scholarship for a boy from West Philadelphia for the Philadelphia Divinity School, but we maintain an active interest in such Diocesan projects as Episcopal Day for the Blind, both units of the Elizabeth Price Martin League for Service and the League for Intercessors.

It has been a busy year. We hope and pray that we have gone Forward in Service.

Respectfully submitted,

Helen Oram Heckel,
Chairman.

REPORT OF THE DEPARTMENT OF PROPERTY

The Department cooperated with the Church Foundation in a review of the situation, in connection with the fire insurance on Mission properties looking toward the clarification of the responsibilities of the Missions and the Diocese respectively.

At the request of the Dean of the West Philadelphia Convocation a Rectory for St. Monica's Mission was purchased and settlement made.

Repairs for All Souls for the Deaf were supervised and approved as well as sundry repairs for the Church House.

Respectfully submitted,

RONALD J. MCCARTHY,
Chairman.

REPORT OF THE DEPARTMENT OF PUBLICITY

The Department of Publicity lost last summer the services of its former Chairman, the Rev. Edmund H. Carhart. His resignation was made necessary by his many other duties in the Diocese combined with failing health. His death in January brought to us more vividly his valuable services to the Department in the past.

My appointment as new Chairman was made in June, 1944. The Department of Publicity started the current year with the same organization as heretofore, with the Rev. Charles H. Long as consultant and reviewer of all news items for the public press, and with the Rev. George Copeland as editor, with Mrs. Edythe B. Deakyne assisting in making up the Church News and responsible for business details and subscriptions.

It was with great regret that we were asked to accept the Rev. George Copeland's resignation as editor in chief to take effect after the December, 1944 issue. We shall miss his literary ability and pleasant personality in getting out the Church News.

As of the January issue, the Rev. Albert O. Judd took charge as editor in chief, and about February 1st, the Rev. J. Jarden Guenther became business manager in place of Mrs. Deakyne who resigned.

We feel the Church News is fortunate in securing the services of these two men and both have taken hold of their respec-

tive positions with ability and interest. Rev. Mr. Guenther still gives part of his time to the Forward in Service Movement.

The Church News is published monthly, except June, July, August and September. Our endeavor is to make the Church News an interesting helper in the work of the Diocese. To do this we must have the cooperation of the clergy and the members of our Church, and have them make known to us items of interest to the Diocese as a whole, and also their support in the matter of subscriptions, which of course is the life blood of our existence.

R. Marshall Truitt,
Chairman.

COMMISSION ON RECRUITING FOR THE MINISTRY

This Commission was created by the Executive Council in 1924. The purpose of the Commission in the beginning was to give to men who had been admitted Postulants in this Diocese financial aid in the college and seminary courses. When, however, it became necessary in the depression years to reduce the appropriation to the Commission, grants were made only to seminary students. The largest number of men reported as having received grants in any one year was 30. This was in 1931, when the total grants amounted to $4,650. Since its creation the Commission has assisted 110 Postulants and Candidates for Holy Orders.

Among the rules of the Commission is one requiring that "Every applicant shall give to this Commission a detailed statement of his estimated seminary expenses and income." This estimate of the applicant's income includes the assistance, if any, that will be given by his family, parish, himself, seminary scholarship, Sunday duties and general Church societies. The Commission feels that when a man's family or parish is financially able to give him the assistance which he requires for his seminary expenses, grants should not be made by the Commission. It is the intention of the Commission to use the funds allocated to it only when and where they are actually needed.

The Commission conducted a Conference on the Ministry at the Diocesan Winter Conference in 1944. Thirteen men were in attendance whose ages ranged from 16 years to about 50 years. It was an interesting and worthwhile effort. The Rev. James C. Gilbert was the leader, assisted by several clergymen whom he invited. A Conference was also held at St. Paul's, Overbrook, Saturday, May 27th, from noon until 3 P. M., at which there were present 11 high school students whose names had been submitted by their Rectors.

During 1944 grants amounting to a total of $1,500 were made to 10 seminarians, 4 of whom were studying at the Philadelphia Divinity School, 3 at the Virginia Theological Seminary, 1 each at the General Seminary, Nashotah House and the Episcopal Theological School.

Wm. Newman Parker,
Chairman.

APPENDIX H

Report of the Registrar, 1945

The canonical duties of the Registrar have been duly performed through the year, and the statistical records of the Diocese, viz.: Episcopal Acts within the Diocese, list of clergymen canonically resident, and of all Churches, Chapels, or Mission Stations of the Diocese, with a description of their location and property, appear in their proper places in the Journal.

Numerous requests for certificates of Holy Baptism and of Marriages and Burials, and information of historical and biographical character have been complied with in so far as the records were available.

The following official books were deposited with the Registrar and placed in the Church House vault:

S. Luke's, Chadds Ford; book of Vestry Minutes and Parochial Register

S. Columba, Southampton; book of Mission Minutes and Parochial Register

Holy Nativity, Wrightstown; Parochial Register.

There were also received and placed in the vault a set of Communion Vessels and Baptismal Bowl from St. Luke's, Chadds Ford.

A book of Minutes of the Standing Committee of the Divinity School was transferred to the custody of the Dean of the School, and an excess number of duplicate Journals of General Convention were transferred to the Library of the Church Historical Society.

Respectfully submitted,

H. W. Gernand,
Registrar

APPENDIX I

Report of The Church Foundation to The Annual Convention of 1945

Standing Resolution adopted by the Convention of May, 1928:

"Resolved. That The Church Foundation is hereby designated and appointed as the Corporation to hold and administer real and personal property in trust for the Church in this Diocese, its Parishes, Missions and Institutions."

Our report this year is as of January 31, 1945, instead of December 31, 1944, because certain changes were effected in the month of January which it was desired should show in this year's report. As of January 31, 1945, The Church Foundation had on its books a total fiduciary responsibility of $1,950,638.49 as expressed in money, consisting of properties, securities and uninvested cash. But $262,287.72 of the above total represents the net value of Church properties to which we hold title, chiefly the Church House and the new St. Giles', Stonehurst group of buildings, and 118 other Parish and Mission properties on our books at $1 each, as the money to pay for them did not pass through The Church Foundation, leaving $1,688,350.77 of income-producing securities and uninvested cash, all values being book values. Of the latter total $253,162.14 represents U. S. Government securities at cost, and $1,032,232.10 is invested in Units in our Consolidated Investments Fund. The remaining $402,956.53 not in the Consolidated Fund consists of bonds, mortgages and real estate and a small amount of stocks, and some mortgage and real estate participations which we received but did not buy, none of which were deemed suitable for sale to the Consolidated Fund, and which will be retained in the several funds until such time as they may be sold and the proceeds used for the purchase of Units in the Consolidated Fund. Quite a number of non-paying bonds which we have held for a number of years have been disposed of recently at much better prices than could have been realized a few years ago.

At the end of 1944 we had 50 mortgages paying currently, representing an investment of $244,737.93. As of January 31, 1945, because of the paying off of some mortgages and the sale, at par, of about a dozen which had been reduced to such small amounts that it was not economical to handle them, we had only 28 representing an investment of $219,880.30. At the end of 1943 we had 30 rented properties, with a cost value of $139,418.75. At the present time all but 3 of them have been sold or are under contract of sale, the cost value of them being only $10,235. At one time 37% of the mortgages held in The Church Foundation funds were in default, as was the case generally in the City at that time. Seven years ago we had over $345,000 in real estate as the result of foreclosing some $290,000 of mortgages, the additional investment of some 20% being due to the costs of foreclosing, including payment of back taxes, and of reconditioning to make rentable and productive of income. In 1939 some 60 properties were yielding a net income of over $8,000 yearly, at the rate of over 3% on the total investment in them. A few sales were made when prices were greatly depressed and the losses in such cases were large. But the bulk of the sales have been made in the last 18 months at prices in some cases twice what we had been offered earlier, and for the most part equalling or even exceeding the original mortgage investment. Had many of our funds been handled by vestries or separately by trust companies their losses through investment in mortgages would have been much larger and, not seldom, complete, because of there being no funds with which to foreclose and recondition and make them productive of income. During part of the period it was either impossible to sell properties at all, or only at preposterously low prices, and properties not reconditioned had to remain vacant, subject to vandalism and with taxes and penalties accruing. By arrangements within its own organization The Church Foundation was able to supply over $12,000 for the salvaging of many of its mortgage investments, such arrangements having the approval of the Chancellor, and all such loans having long ago been repaid, with interest, and with there never having been any risk of loss.

Miss Laura Bell, long a parishioner of St. Stephen's and prominent in the Women's Auxiliary, after providing, in her

will, for the payment of legacies to St. Stephen's and certain individuals, left the remainder of her estate, which is expected to amount to something over $200,000, to The Church Foundation, "for such uses and purposes as the Bishop and the Directors of The Church Foundation may decide upon." The Principal has not yet been received but all legal steps have been completed and it is expected shortly, and will consist of one small vacant lot, and securities, all of which are paying interest or dividends, and cash. In the meantime the Bishop and the Directors have decided that the fund, when received, shall be kept intact and only the net income expended.

By its By-Laws, which in this respect cannot be changed without the consent of the Convention, The Church Foundation is compelled to employ, as its Fiscal Agent, a Philadelphia Trust Company having a combined Capital Stock, Surplus and Undivided profits of at least $5,000,000, in the custody of which it must place all the securities and cash which it holds in trust, and through whose staff all buying and selling must be done, so that no Officer or Director of the Foundation has any direct access to such securities or cash. All checks are signed jointly by an assistant treasurer of the Fiscal Agent and an Officer of the Foundation. Peculation by any Officer of the Foundation is impossible. and for any peculation by any employee of the Fiscal Agent all its resources are liable. All accounts are kept by the Fiscal Agent, and are open at all times to examination by a representative of the Foundation. Once a year the Agent delivers a statement of all securities which it holds for the various funds in trust with the Foundation. Such changes in securities as may from time to time be directed by the Foundation are reported, when completed, to the office of The Church Foundation in the same building, which office acts in the capacity of Comptroller of the Agent's transactions. Purchases and sales of securities are directed by the Committee on Investments and subsequently reported to the Board of Directors, and all holdings are under the constant supervision of the same committee.

Manifestly the Foundation can only employ the kind of Fiscal Agent required by paying it at least enough to cover the cost of acting as its Agent. The Church Foundation Account is an unusually complicated one and expensive to handle because of

being made up of some 115 separate funds, many of them too small to be accepted by any large trust company. Each year the Agent estimates what it believes it should receive for its services for the coming year, based upon what is likely to be the nature of the account for that year. This estimate is considered by the Board of the Foundation, and if believed to be reasonable, *and in line with charges of other similar institutions for comparable work,* is accepted. This charge, we have been assured by eminent legal authorities, must be passed on to the beneficiaries by deduction from the income of their funds, not in any sense as a Trustees' Commission, but as an administrative expense, and in accordance with the language of our debts of trust, which instruct us to pay over income after the deduction of all proper expenses of administration. As our securities are rapidly being reduced to bonds and stocks only, the simplest method of passing on the charge is by a uniform percentage on income collected in each fund.

The expense of such work depends directly upon the number of separate items of investment and the number of separate accounts. By setting up the Consolidated Fund in 1943, the estimated expense of the Foundation's account was reduced some $1,700 for 1944. During 1944 the number of separate items was still further reduced by sales and transfers to the Consolidated Fund, and the number of accounts was reduced by the combination of a number of small funds for the same beneficiaries and which there was no good reason for keeping separate. Because of these changes the expenses for 1945 are estimated as from $1,500 to $2,000 less than last year, and the Agent's asking has been accordingly reduced. But the percentage on income, 7½%, remains the same as last year, because of an anticipated $15,000 lower gross income upon which the 7½% will be calculated. This reduction is due partly to re-investing at lower rates of interest, but chiefly to the sale of more than $120,000 invested in real estate, which produced a much larger *gross* income (rents before deductions of taxes and repairs) than the proceeds when invested. Consequently, while the administrative expenses are from one-quarter to one-third less than they were last year, the percentage must remain the same to produce the smaller amount.

It is not part of the Fiscal Agent's duties to carry on correspondence with the beneficiaries or to conduct interviews with them. If it were, it would increase the costs. That has to be done in The Church Foundation's Executive Vice-President's office. At present only 1% on income is being deducted for such expenses, making a total of 8½% administration charge on the income paid to the beneficiaries.

Church Foundation

Consolidated Investment Fund

It is the desire of the Bishop to familiarize the Diocese with the nature and purpose of the Consolidated Investments Fund of the Church Foundation. The following is a brief outline of its operations to date:

With the exception of Funds restricted to legals, or otherwise restricted, all Individual Trust Funds administered by The

Church Foundation may participate in the Consolidated Investments Fund by the purchase of units in return for cash or securities. The acceptance of securities, however, is subject to the approval of the Investment Committee.

The purpose of this Fund is to obtain wider diversification of investment, greater stability of income, less risk of loss of principal and the ability to invest small balances of $10 or over in the individual funds. Another advantage is that the Fund is not limited to an investment of $25,000 in any one account as is the case with the common trust funds operated by banks.

The Consolidated Investments Fund opened on April 27, 1943, with bonds and stocks valued at $631,004.00 (transferred from individual funds) and cash of $38,475.00, for which approximately 67,000 units at $10.00 each were issued to the participating funds. Through the acquisition of additional cash and securities, the Fund had outstanding as of March 5, 1945, 101,708 units and through market appreciation the unit value was $10.97. As of that date the securities held had a total market value of $1,112,465.25 against a book value of $1,032,232.10, showing appreciation of $80,233.15 over cost.

Every three months the whole fund is appraised at market values, and the sum total, divided by the number of units gives the price per unit at which uninvested cash in the several funds can be invested in the purchase of units, which must be done within a few days of the time of fixing the price, or be postponed until the next quarterly appraisal. Ordinarily units are not supposed to be withdrawn, but if, for some special, and, usually, unforeseen reason they must be withdrawn, the Consolidated Fund repurchases them at the next appraisal period and at the price per unit then fixed, which may be more or less than they cost the withdrawing fund.

As more than half the outstanding units are purchased at the beginning at $10 per, but all the rest have been bought at eight different prices up to $10.97, it is impossible to calculate the percentage yield of the units, but the values of the units at the several periods since the start and quarterly earnings on them have been as follows:

	Values	*Earnings*
June 15, 1943 (2 months)	$10.11	$.0682
September 15, 1943	10.19	.0996
December 10, 1943	10.19	.0946
March 10, 1944	10.38	.1013
June 10, 1944	10.44	.0994
September 10, 1944	10.53	.1025
December 5, 1944	10.70	.0968
March 5, 1945	10.97	.1024

The total of the earnings for the four quarterly periods of the year 1944, the first full year of operation, was 40 cents per unit. From this was deducted 2 cents per unit as a reserve to amortize premiums paid in the purchase of bonds, which would otherwise be lost if they were held to maturity. That left 38 cents per unit for distribution to the funds owning units, ten per cent. of which was deducted for administration expenses (7½ per cent. going to the Provident Trust Co., Fiscal Agent, and 2½ per cent. to The Church Foundation office), leaving 34.2 cents per unit net to the beneficiaries. This is a return of 3.42 per cent. to the purchasers of units at $10, and a return of 3.25 per cent. to those purchasing at the average price of $10.51 during 1944. At present, administration charges are 8½ per cent. of the income, of which 7½ per cent. goes to the Fiscal Agent and 1 per cent. to Church Foundation expense.

The Investment Committee meets frequently for the consideration of investment matters. This Committee is composed of the following members:

Edward C. Bendere—Merrill Lynch, Pierce, Fenner & Beane.
Clarence M. Brown—Director of Pittsburgh Plate Glass Co.
Sydney P. Clark—E. W. Clark & Co.
E. Osborne Coates—Elkins, Morris & Co.
Rev. Francis C. Hartshorne—Executive Vice-President.
Reed A. Morgan, Retired Investment Banker.
Frank H. Moss—Director of Corn Exchange National Bank.
T. Williams Roberts—Real Estate Appraiser.
Lee Sowden—President, North Philadelphia Trust Co.

APPENDIX J

Report of the Commission on Rector's Salaries and Pensions

The Commission has examined carefully the applications made to it by Parishes asking for grants of money from the Sustentation Fund to meet the minimum salary as fixed by Canon. In every instance the grant was made because the members of the Commission felt the Parish had done all it could do by its own resources. The number of Parishes so aided numbered fifteen. This figure is two less than the previous year and the sum required to meet the grants is smaller, due to the fact that several Parishes were able to reduce the amount required for 1944. The Vice-chairman, Dr. Hartshorne, has ably cared for the Pensions of the Clergy of the Diocese and has reported full cooperation with no necessity of advancing money to protect the grant made to widows of Clergymen, whose husbands might have died during the year. The Commission sent a letter to the Church Pension Fund Board, asking that the pension grants to the Clergy in the future be not reduced from that now granted until other possible reductions have been made.

Since the Commission deems it possible to continue the year 1945 under the reduced assessment of $8,000.00, it recommends the adoption of the following Resolution:

RESOLVED, That the Commission on Rector's Salaries and Pensions be authorized to assess for the work of this Commission for the year 1946 a sum not to exceed $10,000, and if possible to reduce this figure to $8,000.00.

Respectfully submitted by the
Commission on Rector's Salaries and Pensions,

JAMES M. NIBLO, *Chairman.*

APPENDIX K

Report of the Cathedral Chapter

Services at the Cathedral Church of Christ have been maintained on Sundays in the regular schedule throughout the year. Other than the Annual All Saint's Day Service and the one held on Memorial Day, it has been necessary to omit the other special occasions, due to the limited means of transportation. While this has caused a decrease in the number of persons coming from a distance to attend the Sunday Services, others living in the neighborhood of the Cathedral have taken their places in larger numbers. A Church School for young children is maintained by Deaconess Newbold.

Considerable time has been required to contact the heirs to the Estate holding one of the two mortgages on the property, but such progress has been made as to insure the satisfaction of this mortgage in a short time. This is being done with a fine, generous spirit on the part of the heirs, which will completely free the upper half of the property.

Plans are in hand to develop the Choir by three more bays, which would include the large South entrance and a Chapel to balance the present St. Michael's Chapel. This, along with a Conventual building to provide for sacristy space and for group meetings, would make possible a sufficiently large portion of the Cathedral to meet many of the Diocesan needs. It is to be hoped that work can be started on these projects as soon as possible after the war.

Respectfully submitted,

JAMES M. NIBLO,
Registrar.

APPENDIX L

Report of Forward in Service Commission

The outstanding event, under the forward in service commission, was the Diocesan Mass Meeting in The Church of The Holy Trinity on the evening of June 7, 1944. Twelve Hundred men and women crowded the Church and heard the "Plan of Action" for 1944-1945 presented by the Rev. Wilburn C. Campbell, of New York. The part that the laity can play was told by Miss Helen V. Owen and Samuel S. Schmidt, the co-chairmen of the Commission in the Diocese of Harrisburg. Louis M. Washburn gave a short report on the work of his committee for a Just and Durable Peace and the final address was made by Bishop Hart. Preceding the Service an organ recital was given by Frederick Alanson Knapp and the Choir of St. Augustine's Church led the congregation in the singing of the great missionary hymns of the Church. The crucifer and torch-bearers were from the Church of the Annunciation.

The Annual Clergy Conference was held on the morning of the same day at the Episcopal Academy, addressed by Bishop Hart, who entertained the clergy at lunch, and the Rev. C. Avery Mason, of New York.

Forward in Service is a co-ordinating agency and the local Commission has been called upon to assist many of the Diocesan organizations in the development of their programs. In turn it has had the most cordial cooperation of the Woman's Auxiliary and the Department of Christian Education and many others. The chairman has been privileged to address all of the meetings of the Convocations and other groups, thus giving wide publicity to the Plan of Action. He gave a course on "The Christian Doctrine of Man" at St. Thomas' Church, Whitemarsh and had classes on "The Fellowship of Prayer" at the School of Christian Education at the Church House.

On July 7, 1944, a meeting of the heads of all Diocesan organizations and institutions was held at Beaver College, as the guests of Bishop Hart. The purpose of the meeting was to coordinate the programs of the different agencies to prevent any overlapping. The meeting had great potentialities.

The Annual Clergy Retreat was held at Holiday House, Sellersville, from September the eleventh to the fourteenth. The conductor was the Rev. A. Appleton Packard, O.H.C.

On Sunday, October 29, the Rev. E. Frank Salmon, D.D. conducted a Forum at St. Paul's Church, Overbrook. In the afternoon his subject was "I Need the Church" and in the evening "The Church Needs Me." Those who attended were the guests of the Rev. C. E. Snowden, rector, and the ladies of the Church at a supper in the Parish House.

The Catholic Laymen's League most graciously suggested that its regular Advent Retreat for Men be arranged by the Commission and the Rev. David Holmes, rector of St. Stephen's Church, Norwood, gave a series of thoroughly stimulating meditations on the afternoon and evening of December the ninth in the Chapel at the Philadelphia Divinity School.

The "Plan of Action for 1945-1946" continues the theme of last year, namely, "The Christian Fellowship" and lays emphasis on "The Missionary Imperative." The Commission is planning for Diocesan Missions on "Lay Evangelism" in order to secure a more widespread activity in the Parish and Diocese by the laity.

To carry on and expand the work of the Commission the following Resolution is offered to the Convention:

RESOLVED, That Convention appropriate from the Convention-Diocesan Expense Fund the sum of SEVEN HUNDRED DOLLARS ($700.00) for the work of the Forward in Service Commission, which now includes the work of the Retreat Association.

Respectfully submitted,

J. JARDEN GUENTHER, *Chairman.*

APPENDIX N

Report of the Committee on Canons to the Diocesan Convention of 1945

The Committee on Charters and the Standing Committee, particularly the latter's Sub-committee on Charters, have had some years' experience in examining and passing upon Charters, out of which experience has grown the feeling on the part of both bodies that certain changes in the present method of handling such matters as required by our Canons would be desirable. It is the considered judgment of both that, instead of requiring all Charters and amendments thereto to be examined and reported upon by two bodies, who may come to different conclusions, resulting in delay and the complete bewilderment and frustration of the applicants, that duty should be required of only one Committee, naturally the Committee on Charters, thus saving duplication and waste of effort, and making it possible to deal with such matters with much greater certainty and despatch than is always possible under the present method. A Committee consisting of members of the Standing Committee, the Committee on Charters and the Committee on Canons met and decided to recommend to the Convention, through the Committee on Canons, such changes in the Canons as shall place the Committee on Charters in sole charge of the examination of, and reporting upon Charters and Amendments thereto, and leave to the Bishop and the Standing Committee the matter of advising the Convention as to permission to incorporate and as to admission into union with the Convention. The same committee also recommended some minor changes in the Canons on these matters, among them substituting for the word "Charters" in many places where it now occurs in the Canons, "Articles of Incorporation" which is now the legal term, and changing the name of the Committee on Charters to "The Committee on Incorporation." The Committee on Canons has considered these proposals and in turn recommends them to the Convention practically without changes.

CANON I

OF THE ADMISSION OF A CHURCH OR CONGREGATION INTO UNION WITH THE CONVENTION

SEC. I. Repeal present Section I. 1. and substitute therefor the following prohibition against becoming incorporated:

"SEC. I. No Church or Congregation of the Protestant Episcopal Church in this Diocese shall apply to any Court for incorporation unless and until it has complied with the requirements of the Canons of this Diocese in such cases made and provided, and unless it presents with the application to the Court a certificate from the Secretary of the Convention of the Diocese that such requirements have been complied with."

Experience has shown this to be necessary, as congregations have applied for and obtained from the courts charters of their own devising, and have then acquired properties and incurred debts which have subsequently become a concern of the Diocese. We already have a Canonical provision prohibiting the obtaining of amendments to charters without the consent of the Convention, and how much more should we prohibit obtaining whole charters!

Also in place of present Section I. 1. enact the following modified version thereof as follows:

"SEC. II. ADMISSION OF PARISHES HERETOFORE INCORPORATED.

When any Church or Congregation, which has been organized under Articles of Association, or a Charter prior to the year 1945, shall desire to be admitted into union with the Convention of this Diocese, it shall present to the Bishop, before the meeting of the Convention, an application for such admission, signed by its authorized officers and accompanied by an authenticated copy of its Articles of Association or Charter, together with evidence that the said Articles of Association or Charter conform to the requirements of Article IV. Sec. 2. of the Constitution, and that it has complied with such of the provisions of the Canon "Of the Organization of New Parishes" as may be applicable to the case. Such application shall be submitted by the Bishop to the Standing Committee, with his approval or

disapproval, and the Articles of Association or Charter to the Committee on Incorporation. The application, with reports thereon by the Bishop, the Standing Committee and the Committee on Incorporation shall be submitted by the latter Committee to the Convention for final action thereon. If the Convention shall, by vote, approve of the application and admit the Parish into union with the Convention of this Diocese, its name shall be added to the roll of Parishes in union with the Convention, and its Deputies, if any be present, shall be admitted to seats but not to voting in that Convention."

Amend Canon I, Section 1, 2, by making it a new Section, to be entitled as, and worded as follows:

"SEC. III. OF THE ADMISSION OF PARISHES ABOUT TO BE INCORPORATED.

1. When any Parish which has been organized in conformity with the provisions of the Canon "Of the Establishment of New Places of Worship," and of the "Canon of the Organization of New Parishes," and has obtained the approvals therein called for, shall desire to be admitted into union with the Convention of this Diocese, it shall present to the Bishop, before the meeting of the Convention, an application therefor in writing, signed by its authorized representatives, together with evidence that it has been organized in accordance with the provisions of the above-mentioned Canons, and that its Articles of Incorporation have been approved as therein provided for, and that they conform to the requirements of Article IV, Sec. 2 of the Constitution. The application and the accompanying documents, together with the Articles of Incorporation, shall be reported by the Committee on Incorporation to the Convention for final action thereon. If the Convention shall vote approval of the Articles of Incorporation and to admit the Parish into union with the Convention, its name shall be added to roll of Parishes in union with the Convention and its Deputation admitted to seats and votes in subsequent Conventions if and when the Secretary has been informed by the Chancellor that the Parish has obtained and had recorded a Charter substantially in the form approved by the Convention."

2. All essential documents in connection with the admission of Parishes into union with the Convention shall be filed with the Registrar of the Diocese."

Make present Section II to be IV, and worded as follows:

"SEC. IV. AMENDMENT OF CHARTERS OR ARTICLES OF INCORPORATION.

1. No proposed amendment or alteration of the Articles of Association, Charter or Articles of Incorporation of any Church or Congregation which has been admitted into union with the Convention shall be adopted, or presented to any Court for approval, nor shall any such Church amend its Charter or Articles of Incorporation by By-Law, until, in every such case, the proposed amendment or alteration shall have been submitted to the Committee on Incorporation and, after report thereon by that Committee, has been approved by the Convention.

2. The application for approval of any proposed amendment or alteration shall be in writing, and signed by the authorized officers of the Church, and shall set forth the proposed amendment or alteration and state the dates upon which the same was approved by the Vestry, and by the members of the Church authorized to vote for Vestrymen at a meeting of such members duly called for the purpose. The application shall be accompanied by duly authenticated copies of the Articles of Association, Charter or Articles of Incorporation, and of all previous amendments or alterations thereof."

Make present Section II 3, a new Section V, and worded as follows:

"SEC. V. Neither the Bishop nor the Standing Committee shall be required to consider or act upon any application to incorporate or be admitted into union with the Convention by an existing or proposed Parish submitted to them later than sixty days before the meeting of the Convention; nor shall the Committee on Incorporation be required to consider and report upon any Articles of Association, Charter or Articles of Incorporation, or any amendments thereto, submitted to it later than sixty days before the meeting of the Convention at which they are to be considered."

Amend Canon IV, Section III, by changing "Committee on Charters" to "Committee on Incorporation" in title and body.

The same Committee from which the foregoing suggestions came has made some further ones in connection with the Canon XI, "Of the Formation of New Parishes," as follows:

Change Paragraph 1 of Section I so that it shall read as follows:

"If the new Parish is to succeed to a Mission organized under the Canon "Of the Organization of Missions," there shall be a written application made to the Bishop and the Standing Committee for consent to such formation, which application should be made not less than sixty days before the meeting of the Convention, and shall be signed by the officers of the Mission provided for in said Canon, and who have been authorized to act in the matter by a majority of registered contributors of adult age who have been contributors for one year next prior to the making of such application."

In Paragraph 2 of the same Section, change the first two lines to read as follows:

"If there be no Diocesan Mission to take action, and/or if the place of worship of the proposed—"

The present Paragraph 4 of the same Canon and Section, which requires those seeking to become a Parish to furnish a guarantee, signed by responsible persons and extending over two years, that they will be able to carry on for that period without any Diocesan aid, may have been "an experiment noble in purpose," but it never was an intelligent proposition and has caused a great deal of trouble. It was intended to help the Bishop and the Standing Committee decide whether the proposed parish would be strong enough to go it alone, but they say it has not helped them, and suggest the following substitute for Paragraph 4 of this Canon, Section I.

"4. There shall also be supplied to the Bishop and the Standing Committee such evidence as they may require of the probable ability of the proposed Parish to meet all its obligations without aid from any Diocesan source."

There is also proposed a new Paragraph 5:

"5. A copy of the proposed Articles of Incorporation shall be sent to the Committee on Incorporation by the person chosen to become secretary or clerk of the vestry of the proposed parish, verified in such manner as the said Committee may require."

Also a new Section II:

"SEC. II.

1. If the formation of the new Parish be approved by the Bishop and the Standing Committee, and the Articles of Incorporation be approved by the Committee on Incorporation, such approvals shall be certified to in writing, and shall be reported to the Convention by the Committee on Incorporation, together with a report on all matters coming before the Bishop, the Standing Committee and the Committee on Incorporation in this connection, and the proceedings had thereon, and such approvals and reports shall be considered sufficient compliance with the requirements of the Canon "Of the Admission of a Church into union with the Convention."

2. When the application for Articles of Incorporation is presented to the Court it shall be accompanied by a certificate from the Secretary of the Convention that the proposed Articles of Incorporation were approved by the Convention."

CANONICAL PROVISIONS IN REGARD TO PROPERTY USED FOR RELIGIOUS PURPOSES

At present these provisions are found in two places in the Canons, one under Section I of Canon IV, on the Standing Committee, dealing with property received by the Diocese or any of its officers in an informal manner, and with the property of corporations which have become incapable of corporate action, and the other place being under the provisions of Canon XII, restraining the destruction, alienation or encumbering of property given or acquired for Church purposes. The Committee on Canons believes it to be desirable to have all such provisions under one head, and therefore proposes a re-writing of Canon XII, with a new Title. And while we are about this, the Committee on Canons proposes the addition of a few words

to one of the Sections, which have been suggested by an officer of the Commonwealth Title Company, to bring it into closer conformity with the Act of 1935 of the Legislature of this State and to make sure that titles will be insurable.

The proposal is to repeal Paragraphs 4 and 5 of Section I of Canon IV, and the whole of present Canon XII, and to substitute for the same a new Canon XII to read as follows:

CANON XII

Regarding Property Held for Religious Purposes

Sec. I. Prohibiting the Destruction or Desecration of Consecrated Buildings.

It shall not be lawful for any Church, Parish or Mission in this Diocese to permit to be removed, or to be taken down, or to be used for any "unhallowed, worldly or common use" any consecrated Church or Chapel, without the previous consent of the Bishop, acting with the advice and consent of the Standing Committee.

Sec. II. Prohibiting Alienation or Encumbering.

It is hereby declared that all real property which has heretofore been or shall hereafter be devised, conveyed to, or acquired by a Bishop, a Dean or any official of the Diocese of Pennsylvania, or any Rector therein, or any incorporated Parish or Mission in said Diocese, for use for religious worship, or for a Rectory, Parish House or School, shall be taken and held by such devisee or grantee for the work of the Protestant Episcopal Church in the Diocese of Pennsylvania, and no sale, conveyance or mortgage thereof, or lease for more than one year, shall be made by any Bishop, Dean or other Diocesan official, or by any Rector, or any incorporated Parish or Mission without the previous consent of The Ecclesiastical Authority, as defined in the Canon under that Title, and a majority of the members of the Standing Committee, or, if there be no Bishop, then by the consent of the Standing Committee only. But these restrictions on sale, mortgaging and leasing shall not apply to real estate used only for purposes of sepulture, or held for investment; and nothing herein shall authorize the diversion of any property from the purposes, uses and trusts

to which it may have been heretofore lawfully dedicated or to which it may hereafter consistently herewith be lawfully dedicated.

Sec. III. Providing for a Trustee in Certain Cases.

Whenever any property, real or personal, has heretofore been or shall hereafter be bequeathed, devised, conveyed or given to the Diocese of Pennsylvania, or to the Protestant Episcopal Church in the Diocese of Pennsylvania, or to any Bishop, Dean or other official thereof, or to any unincorporated body thereof, for use in connection with the work of the Protestant Episcopal Church in the Diocese of Pennsylvania, the Ecclesiastical Authority of the Diocese shall be the trustee to hold title to the same, and, with the approval of the Standing Committee of the Diocese, may grant, convey, transfer and assign such property, real or personal, to The Church Foundation, in trust under such trusts and for such uses and purposes as may have been declared in such bequest, devise, conveyance or deed of trust aforesaid, and/or under such trusts and for such purposes and uses as may be declared by the Ecclesiastical Authority of the Diocese with the approval of the Standing Committee, provided the same be not inconsistent with such trusts and uses as may have been previously declared.

Sec. IV. Providing a Trustee for Corporations Unable to Function.

Whenever any property, real or personal, has heretofore been or shall hereafter be bequeathed, devised or conveyed to, or be in any manner in the lawful possession of any incorporated body, for use in connection with the work of the Protestant Episcopal Church in the Diocese of Pennsylvania, and such incorporate body, through loss of membership or otherwise, is, or shall become incapable of corporate action, the Ecclesiastical Authority of the Diocese shall be the trustee, by and with the consent of the Standing Committee thereof, to take such steps as may be legally necessary or proper to vest such property, real or personal, in The Church Foundation, under the same trusts under which it had been held by such incorporated body, and/or if there be no such trusts, or if the same have become impractical of execution, then under such additional or different trusts

as may be declared by the Ecclesiastical authority by and with the approval of the Standing Committee.

Missing Communicants

It has always been a problem in the Church in this country how to prevent Communicants who leave their Parishes, their neighborhoods or even the parts of the country where they have been living from becoming completely lost track of, and, perhaps, only too often never again becoming definitely connected with some Parish, to their own and the Church's serious loss. But the problem has become extremely more serious since the war, with its unprecedented moving about the country of great numbers of individuals and families. The Bishops have been giving it serious consideration, especially our own Diocesan. Having observed while in the Diocese of Washington, D. C., the workings of a plan in operation there, he has asked the Committee on Canons to draw up a Canon to set in operation a similar plan in this Diocese, and the Committee has gladly done so, and has the effrontery to believe that it has improved upon the Washington plan, in which belief the Bishop has been good enough to concur.

We already have a Canon XIV providing for the registration of Communicants, and the above plan should naturally be recommended as an Amendment to that Canon. While we were about it, we have also recommended to the Convention the correcting of some long-standing but really serious errors in the Canon.

The Committee recommends the following Amendments to Canon XIV:

1. In the title of the Canon, "Of Parish Registers and Lists of Communicants," place an asterisk before the word "Parish," referring to a note at the bottom of the page, reading: "Note: For the purposes of this Canon the word 'Parish' shall be taken to include Parishes, Missions and Chapels."

2. Amend Section II so that it shall read:

Sec. II. List of Communicants.

The Minister of each Parish shall keep a List of the Communicants within his cure. He shall enter on the List the names

of all persons confirmed in his cure who have received the Holy Communion therein, or who have been received by Letter of Transfer, or who, being regular Communicants in his cure have been unable, for reasons satisfactory to him, to obtain Letters of Transfer from some other Parish, in such cases notifying the Ministers of such other parishes of the action taken. He shall from time to time, and at least annually before the meeting of the Annual Convention of the Diocese, examine such List and shall indicate, opposite to or in connection with the names therein, incidents, such as death, transfer to another Parish, reception of Holy Orders, excommunication or suspension, and he shall not include any of the persons in whose cases such incidents have occurred, and have been noted, in any enumeration or report of persons connected with his Parish.

Add immediately after the above, a new Section:

Sec. III. Of the Diocesan Register for Missing Communicants.

1. There shall be kept in the Executive Office of the Diocese, in charge of a custodian to be appointed by the Bishop, a Central Register or File of the names of Communicants who shall be reported by the Ministers of Parishes in the Diocese as having been lost track of. Such Register or file shall be open to the inspection of the Clergy of the Diocese.

2. At least once a year, and before the meeting of the Annual Convention, the Minister in charge of any Parish shall examine its Register or List of Communicants, and if he finds therein the names of Communicants who have not been transferred to other Parishes, are not known to have died and whose names have not been transferred to the Diocesan Register herein above provided for, but who have apparently or certainly left the community or region served by the Parish, and/or of whose continued existence or whereabouts he has no information, he shall transfer the names of such persons to the Custodian of the Diocesan Register, stating, where possible, their probable ages, and that they have been on his List of Communicants, but have been lost track of. When he has done so he shall note that fact on his List in connection with such names, and no such individuals shall be included in any enumeration or report of persons con-

nected with his Parish. If, afterwards, the Minister shall come into possession of any further information regarding such persons, especially of their deaths, he shall so notify the Custodian.

3. The Custodian of the Diocesan Register shall cause to be entered on such Register or File the names of persons transferred to him as directed in this Canon, together with the names of the Parish where they were last registered as Communicants and, where possible, their approximate ages at the time of entering their names.

4. If and when the Ministers who have sent in such names, or their successors in the Parish, shall receive requests for Letters of Transfer from such persons, or if they receive such requests from persons claiming to have been registered as Communicants in their Parishes but of which fact they cannot find any record in their Parish records, they shall refer such requests to the Custodian of the Diocesan Register who, if he shall find such names in his file, shall provide such persons with Letters of Transfer to any Parish of this Church, stating that at such-and-such a time they were duly registered and enrolled as Communicants in the Parish specified.

5. Any expenses incurred in the setting up of the Central Register or in the operation thereof shall be paid out of the Convention and Diocesan Expense Assessment, at the direction of the Executive Council.

Sec. IV. No name shall ever be cancelled, erased or removed from any Parish List of Communicants, but shall remain there as a permanent record of Communicant membership, with such facts, if any, as those stated in Sections II and III above, indicated on said list in connection with the names thereon. But the names of those persons who, for the reason stated in Sections II and III above are not to be included in any enumeration or report, need not be copied onto a new List of Communicants when such is made up, but the old lists must be carefully preserved.

Sec. V. No person shall be registered or listed as a Communicant in more than one Parish at the same time. Communicants connected with or attending two or more Parishes shall elect the ones in which they desire to be registered or listed, and shall so notify the Ministers thereof.

APPENDIX O

Report of the War Commission of the Diocese of Pennsylvania

The War Commission of the Diocese continues to maintain the Church's relationship in the Diocese of Pennsylvania with Service Personnel. This has been accomplished, however, not without the growing conviction on the part of the Commission that there is an ever widening opportunity for the Church at large, as well as the Diocese as it represents each of the Parishes and Missions, to express more fully the reality of the Church as the Body of Christ in the world. This is unfortunately an opportunity and responsibility which the Commission, under present circumstances, can only recognize and in some measure suggest. The greater portion of the vision and burden must lie with the Clergy and individual congregations.

During the year, the Rev. Mr. John Craig Roak resigned as the Diocesan Director of the Commission and was succeeded by the Rev. Mr. Thomas A. Meryweather who carried on the Directorship until, under the press of other duties, he, too, was forced to sever his official connection with the Commission. The Rev. Mr. Meryweather continues, very kindly, in certain volunteer capacities. The Diocesan Directorship presents to the Commission a very real problem, the solution of which it continues diligently to seek and confidently expects to find.

The work of the Commission as it has developed may be divided into three orientations.

1. The Support of the National Army and Navy Commission. This is largely represented by the sum of $26,562.42 forwarded to the National Army and Navy Commission in the name of the Diocese in 1944.

2. The Diocese of Pennsylvania. The work of the Commission could not go forward without the service rendered by the Commission's Office maintained in the Church House under the fine direction of Miss Emma E. Brehm our volunteer Secretary and her kind assistants who have been ceaseless in their efforts. In this Office the Commission has acted as a center of information and advice to the Clergy and Parishes. Here a central file of Diocesan Service Personnel has been set up and maintained, War Crosses and Prayer Books supplied, the Bishop's messages to the Armed

Services at Christmas and Easter have been distributed, and a supply of literature and Service Forms furnished. Through this Office the Bishop and the Commission have, from time to time, kept intact their liaison with Priests of the Diocese of whom there are now 22 serving as Chaplains in all branches of the Service.

Another phase of the Commission's work in the Diocese is more than well represented by the splendid accomplishments of St. Stephen's Service Club. Here has been maintained a center of fellowship in which some 1,500 volunteers from every corner of the Diocese have and continue to render service to some 62,000 guests in the two years of its existence. This is indeed an accomplishment which augurs well for the future of the Diocese in terms of sacrifice and cooperation. The Diocese can have a large measure of pride in this venture. The Commission takes this opportunity to extend its sincere congratulations to Mrs. P. Blair Lee, Chairman; Mrs. James T. Davis, Treasurer; and Mrs. Humphrey Nelson, the Directress, for their untiring efforts and complete success.

3. The Parishes. To the Clergy, Parishes and Missions the Commission stands ready at all times to render any service within its power and urges a more complete use of its facilities. Centers for Service Personnel still are maintained at Holy Trinity, West Chester, and at Our Saviour, Jenkintown. In these the Commission continues an abiding interest.

"The 1944 Annual Treasurer's Report attached hereto indicates that the Diocesan War Commission was enabled to carry on its activities within its budget figures. $26,562.42 was sent to the Army and Navy Commission in the support of its work. $13,734.83 was expended in the maintenance of the St. Stephen's Service Club, and $4,195.77 was expended on other activities of the War Commission within the Diocese. A surplus of $2,866.80 was carried forward to 1945.

The need for a greater usefulness, particularly as we anticipate the return and readjustment of the serviceman to his community, indicates a larger expenditure of funds within the Diocese. The War Commission can scarcely feel that operating within its budget constitutes an achievement when it realizes the valuable work which it still has left to do."

Looking into the future, already upon us, the Commission under the guidance of the Bishop has given considerable thought to the problem involving the placement of returning Chaplains and probable needed financial assistance. The Commission has had representation at various conferences concerning other returning service personnel and realizes fully the manifold and complicated problems in the solution of which the Church should be prepared to lend all its aid.

In closing, the Commission in the complete realization of its limitations desires to thank all who have given of their time, thought, and tolerance and substance for the furtherance of its work and urges again any suggestions as to how its effort can be made more effective.

William N. Lanigan,
Secretary.

APPENDIX T

Report of the Corporation for Christian Work in Educational Institutions

An excellent description of the work of the Corporation this year is contained in the report of the Rev. Gordon M. Jones, our part-time Chaplain, from which we quote:

"Our work this year has been marked by accomplishment and reversal. On the side of the former, we are glad to say that those whom you have entrusted with carrying on this important work are agreed on a policy which we hope to pursue in the future. We are agreed that the period following the cessation of hostilities will offer a real opportunity for expansion in our particular field of endeavor. Looking toward that we are at the present attempting to procure the services of just the right man to do this work on a full time basis. When we secure his services, we know we can count on all of you for your support.

"Also on the credit side of the ledger, we are happy to report on the fine work being done in two educational centers. One is Ursinus College, where, due to the unstinting labors of the Rev. Edward Platts, the possibilities inherent in College Work have been brought to light. The excellent ministry being rendered by the Rev. Matthew Davis among the Negro College students in the Chester Convocation has also been aided and abetted by a grant of money which will enable Father Davis to continue the grand work which he has been carrying on on his own.

"Our Annual Conference was the highlight of the year's activities. Those who braved the snow storm to attend were rewarded for their efforts by stimulating addresses by Dr. MacFarland of the University of Pennsylvania, who outlined the provisions which the government has made for the education of the returning service man; and Chaplain Francis Sayre, who painted in glowing terms the need for genuine religious education if future generations are to be at all articulate in the things of our Faith.

"We were also happy during the year to welcome as a new member of the Corporation The Rev. Arthur Lyon-Vaiden, who was elected to fill the unexpired term of The Rev. Dr. Leicester Lewis. We regret Dr. Lewis' inability to help but realize the pressure of other duties made it impossible for him to continue.

"On the debit side, we find that the work which began so promisingly at Hahnemann Medical College and Temple University has had to be tabled for the time being pending the clearing up of several obstacles to the faithful discharge of these ministries. However, what was accomplished while the work was carried on, and the hearty response of the students to it, convinces us that with the proper supervision these two institutions provide fertile fields for a new and better ministry to our College students.

"We commend our work to you for your prayers that we whom you have entrusted with this responsibility may be guided to discharge it to the glory of God and the edification of His Church."

We are glad that we can further report that the Episcopal work at the University of Pennsylvania is growing in strength and is enthusiastically backed by Dr. Gates, Chaplain Kolb and the other University authorities who appreciate its value.

After conference with Bishop Heistand of Harrisburg, the Corporation is continuing a small grant for the work of the Episcopal Chaplain at State College.

We have also made some progress in working out a sound relationship between the work and proposed program of the Church Society for College Work and the Corporation.

Mr. William L. Randall, the Treasurer, has submitted a financial report covering the expenditures of the Corporation.

LEWIS N. LUKENS, JR.,
Chairman.

Commission on Marriage Proposes New Canon

I. Ministers of this Church shall, within their Cures, give instruction both publicly and privately, on the nature of Holy Matrimony, its responsibilities and the mutual love and forbearance which it requires.

II. Ministers of this Church in solemnizing marriage shall conform to the secular law relating thereto, to the Canons of this Church and to the Form for the Solemnization of Matrimony set forth in the Book of Common Prayer.

III. Every Minister of this Church before solemnizing a marriage shall satisfy himself that the parties thereto have a right to contract marriage under the secular law and in accordance with the provisions of this Canon, and particularly he shall inquire as to whether either of the parties has been previously married, and, if so, how the marriage was terminated.

IV. No Minister of this Church shall solemnize or bless the marriage of any person who has a former spouse then living from whom he or she has been divorced by a civil court unless it can be shown to the Bishop and his legal advisor by the records of the court which decreed the divorce that the divorce was granted on the ground that no legally valid marriage had taken place, and the Bishop shall so certify in writing to the Minister.

V. It shall be within the discretion of any Minister of this Church to decline to solemnize any particular marriage.

VI. No Minister of this Church shall solemnize a marriage unless the intention of the contracting parties be signified to him at least three days before; Provided, that, for weighty cause, he may solemnize on less than three days' notice the marriage of persons at least one of whom is well known to him.

VII. No Minister shall solemnize a marriage unless at least one of the contracting parties has been baptized by a baptism recognized by this Church.

VIII. No Minister of this Church shall solemnize a marriage unless there be at least two witnesses present.

IX. No Minister of this Church shall solemnize a marriage unless he is satisfied that the parties thereto understand the nature of Christian Marriage, its duties and responsibilities, and intend, with God's help, to endeavor faithfully to perform the same. To this end, and before he officiates, he may require them to sign the following declaration:

"We, A.B. and C.D., desiring to receive the Church's blessing upon our marriage, do solemnly declare that we hold Christian Marriage to be a life-long union of husband and wife, for the purpose of mutual fellowship, understanding and encouragement, for the procreation of children (if it may be) and their physical and spiritual nurture, for the advancement of the Kingdom of God and the benefit of society. And we engage ourselves, as far as in each of us lies, to make every effort to realize the Christian ideal of Marriage."

X. Every Minister of this Church shall, without delay, formally record in the proper register the name, age, parents, and residence of each of the parties to any marriage solemnized by him or in his Parish or Mission. Such record shall be signed by the officiating Minister, by the married parties (the woman using as her surname the surname of her husband) and by the witnesses.
